Cliq™
Seating

Instant comfort for collaboration.

Be Part of the Cliq

Some of the best work results from a collaborative effort. That's why Cliq brings people together. A welcome addition to any group chat, Cliq seating lets you take care of business from the moment you sit down. It's light-scaled for a modern look that's also easy to maneuver around wherever the group discussion takes you. Remarkably intuitive and endlessly adaptable, Cliq makes seating simple.

Designed with You in Mind

Power through meetings of any length in complete comfort without the hassle of having to fine-tune your chair. Cliq's weight-activated control responds to your body and its movements, providing instant comfort without a lot of adjustments. Cliq does the work for you, making creative collaboration a breeze.

It Just Clicks

A thin profile provides a modern aesthetic, while a wide range of fabric choices and frame and mesh colors ensures the perfect look for any space. Available as a task chair or stool and in fixed arms or armless versions, Cliq is perfectly formed for the group chat. Intuitive, stylish, and supportive—it just clicks with any collaborative environment.

"Workspaces continue to become less defined, so with Cliq, we wanted to create an easy to use conference and light duty task chair that works in those different types of collaborative spaces. The design is straightforward; the simplicity of the shape relates back to the simplicity of its use. It's just an easy-to-use chair."

David Mehaffey
Senior Industrial Designer, The HON Company
Designer of Cliq seating

Features

WEIGHT-ACTIVATED CONTROL
Automatically adjusts tension as you recline, eliminating the need to make adjustments for different users

FIXED ARMS
Sleek, modern design of the arms provides a comfortable sit for all users

4-WAY STRETCH MESH
Flexes in every direction to dynamically move with you

ADJUSTABLE SEAT HEIGHT & TILT LOCK
Lift the lever to find your ideal seat height for maximum performance, lock in an upright position for keyboarding, or relax and recline during a meeting
