

# TECHNICAL DATA SHEET

## DELUXE HAND DISHWASH

Highly concentrated liquid detergent for hand washing of dishes, glasses, silver, pots, and pans. Provides long-lasting suds. Contains the skin conditioner Glycerin.

### ADVANTAGES

- Excellent grease dissolving power. Cuts through food residue, oils, and fats.
- Maximum suds — good suds stability.
- Contains no harmful alkalies or abrasives. Will not leave dulling soap residue because it contains no soap.
- Tough enough to clean the dirtiest dishes, yet mild on the hands. Contains the skin conditioner Glycerin (a humectant that helps skin retain its natural moisture.)
- For institutional use: designed to be easily dispensed through liquid proportioners for greater economy and less mess. Nothing is wasted.
- Pleasantly perfumed.
- Economical.

### DIRECTIONS

Use just a capful to one sink full of water. For maximum suds pour into the sink then turn on water.

For use as hand cleaner, dilute 1 part detergent to 1 part water.

### SPECIFICATIONS

Physical Form	Viscous Liquid
Color	Opaque Blue Opaque Pink Opaque White Opaque Green Clear Green Clear Blue
Scent	Floral
Specific Gravity	.099
Density	8.3 lbs. per gallon
Foam Test (1% Solution)	Initial - 210 mm 5 minutes - 175 mm
pH Solution As Is	7.5 - 8.0
Active Alkalinity	0.005%
Total Alkalinity	0.63%
Viscosity	500-700 cps Spindle #2 at 20 rpm
Total Solids	14.4%
