

TECHNICAL DATA SHEET

GERM-A-CLEAN HAND & BODY SKIN CLEANSER

A thick, rich bodied lotion that cleans and conditions the entire skin. Utilizes a special pH balanced formulation — ideal for the entire body as well as hands. Mild deep penetrating action emulsifies soil, perspiration, and dirt. Easy rinsability with water. Leaves skin clean, smooth, naturally moist and pleasantly scented.

ADVANTAGES

- Contains the antiseptic ingredient PCMX (Parachlorometaxylenol). Enriched with the skin conditioner Glycerin (a humectant that helps skin retain natural moisture.)
- pH balanced.
- Leaves skin clean, smooth, naturally moist, and pleasantly scented.
- Excellent cleaning performance.
- Effective in hard or soft water, hot or cold.
- Packaged in gallon with handle for bulk refill into “tank” type dispenser.

DIRECTIONS

Wet skin. Apply to palm and spread over hands, arms and entire body. Work up into a lather. Use more as needed. For richer suds, use more water. Rinse with water.
