DC20P+ Cordless ULV Cold Fogger

This fogger is ideal for spraying in smaller spaces including domestic properties as well as food prep areas, car valets and offices. Reduce the power to lower noise levels making it optimal for hospitals, nursing homes and schools. Features include an advanced 12V DC motor from LG electronics, two speed control and an adjustable nozzle producing various droplet sizes. Comes with a shoulder strap, chemical mixing cup and battery charger.

Features:

- 2 Liter Tank (.528 gallon)
- Power 12V
- Spray Distance 2 - 7m / 6.5 - 23 ft
- Droplet Size 5 - 50 micron
- Net Weight 7.1 lbs
