Kimtech™ N95 Pouch Respirator

To guard against the risks posed by airborne particles and contaminants, you need a respirator that provides the highest levels of protection and comfort.

The Kimtech™ N95 Pouch Respirator delivers both, plus a range of benefits that traditional cone-style respirators cannot match.

Features include:

- Pouch design with a large breathing chamber for added comfort
- Consistent seal to ensure proper fit
- Comfort fit headband
- Bendable nosepiece
- Not for medical use
- These masks have not been tested against COVID-19 so cannot be recommended for efficacy or use

NIOSH approved and TAA-compliant, the Kimtech™ N95 Pouch Respirator is made in the USA and is the first respirator created for the Kimtech™ Brand.
