#### **Product information**

This Cooling Crown is lightweight and very comfortable when in use. It can help to lower body temperature for several hours. It attaches to most hard hats and bump caps. This accessory helps protect head and neck from heat stress and sun rays.

#### **Cooling Accessories**

Portwest evaporative cooling products are constructed from an innovative PVA multi layered fabric which uses a unique polymer chemistry. Simply activate by soaking in water creating a chemical reaction within the fabric which enables the garments to act like a sponge; retaining water, keeping the body cool in hot weather conditions.
