

HAND PROTECTION

Cut and Hypodermic Needle Resistant Gloves

DESCRIPTION

Featuring a 10-gauge Aralene® shell that provides both cut and heat resistance, these gloves provide extreme cut resistance and hypodermic needle protection with Alycore inside. The shell is enhanced by an orange etched rubber palm dipped. See diagram for detailed explanation of Alycore areas.

Each pair is individually hang-tagged for retail sale.

INDUSTRY

Recycling/Waste Management	Forestry
Cable	Lumber Industry
Construction	Rebar Handling
Demolition	Barbed Wire

FEATURES

- Alycore delivers unparalleled results with ultimate technology in the world of cut, puncture and needle resistance while still remaining lightweight, flexible, breathable and washable
