

# FACE SHIELD

FULL LENGTH | ANTI-FOG | FOAM BAND | ELASTIC STRAP

REF PG4-9700

## ABOUT THE FACE SHIELD

PRIMED Face Shields are designed to offer advanced protection during medical procedures with high risk of fluid splash. Engineered for comfort and function, the shield is optically clear with anti-fog and anti-glare properties. High-density foam band is lightweight and latex-free.

## FEATURES & BENEFITS

### SOFT ELASTIC STRAP

Keeps face shield in place and ensures secure fit for various head sizes.

### LATEX-FREE HIGH-DENSITY FOAM

Easily contours to the forehead to provide comfort for extended periods of use.

### ANTI-FOG & ANTI-GLARE

Designed to provide all-in-one splash protection with an unobstructed view.

### FULL-LENGTH CURVED SHIELD

Wraps around the face to protect eyes, nose and mouth from fluids at multiple angles.
