

SafeMask[®] SofSkin

Procedure Earloop
Face Masks

The highest level
of protection in our
softest mask

ASTM
LEVEL 3

Now available in Level 3. The Ultimate Protection for Sensitive Skin

Designed especially for sensitive skin, SafeMask SofSkin Level 3 masks provide the highest level of protection without irritating sensitive faces. Their ultra-soft, lightweight, breathable inner layer is gentle and remains cool on skin. Unique wicking technology keeps the face dry and comfortable all procedure long.

Available in 4 colours:    

For the ultimate combination of protection and comfort all procedure long

FEATURES	BENEFITS
Cellulose-blend inner layer	White, non-irritating, ultra-soft and dye-free to leave skin feeling clean and dry. Offer excellent breathability and will not lint, tear or shred
Meet ASTM F2100 standard for Level 3	Provides the highest level of protection
Adjustable nose piece	Provide a customized fit and minimizes fogging
Soft, stretchy, latex-free and ultrasonically sealed earloops	Provide a snug fit without pulling or causing irritation; easy to remove, avoiding self-contamination
