

Littmann

Students: Register to receive a Littmann® brand spare parts kit at no charge*

with the purchase of an eligible
Littmann® Stethoscope.

This program for students only
is available from July 1, 2026
until June 30, 2027.
Conditions apply.*

Invest in your career with a high-quality stethoscope— and get a spare parts kit at no charge* by registering your stethoscope at Littmann.com/parts.

Littmann® provide high acoustic sensitivity for general physical assessments, making them an excellent choice when you're learning how to auscultate.

Now for a limited time, you can receive a spare parts kit at no charge with the purchase of a Littmann® Classic III™ Stethoscope, a Littmann® Cardiology IV™ Stethoscope, or a Littmann® CORE Digital Stethoscope.

Quality and reliability in one convenient package.

Manufactured to the same high standards as all Littmann stethoscopes, the replacement parts in the kit fit seamlessly with your stethoscope.

The kit includes:

Two tunable single-piece diaphragms—one for the adult side and one for the pediatric side of the stethoscope chest-piece

One pair of snap-tight soft-sealing eartips

How to register:

To register your eligible stethoscope or find more information, go to Littmann.com/parts

*Program available to students in United States only for Littmann Classic III stethoscopes, Littmann Cardiology IV stethoscopes and Littmann CORE Digital stethoscopes purchased between July 1, 2026 and June 30, 2027, and who register their stethoscope at Littmann.com/parts. See registration form for information and documentation submission requirements. Solventum reserves the right to modify or cancel this program at any time without notice.
