classroom classics

Set your classroom apart from the rest with these timeless classroom rugs. Designed to be functional educational tools, these bright and playful rugs incorporate key elements of early learning that will enhance a child's education as well as the overall classroom environment. Crafted with pride in the USA, these unique designs help children learn and discover through the act of play.

classroom classics

Animal Readers™

Beautiful Day for Learning™ + I Can Count™

Rainbow Magic™

Watercolor Spots™ // Rainbow + **Watercolor Alphabet**™

classroom classics

Rainbow Blocks™

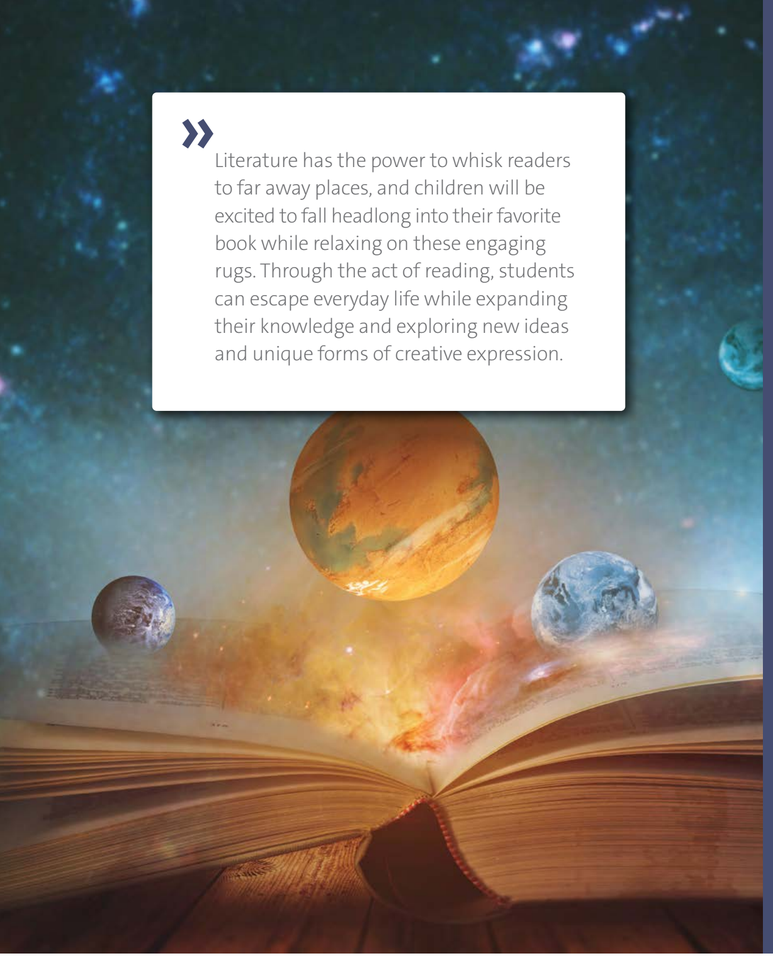

All Around™

Take A Seat™

Smart Start™

Literature has the power to whisk readers to far away places, and children will be excited to fall headlong into their favorite book while relaxing on these engaging rugs. Through the act of reading, students can escape everyday life while expanding their knowledge and exploring new ideas and unique forms of creative expression.

reading & literacy

Out of this World™

Underwater Readers™

reading & literacy

culture & inclusion

These rugs help provide students with knowledge about the histories, cultures, and contributions of diverse groups. Develop discussions about cultural similarities and differences while broadening students' overall global awareness and understanding of inclusion and belonging.

Hands Around the World™

Spirit of Truth™

Traditional Teachings™

culture & inclusion

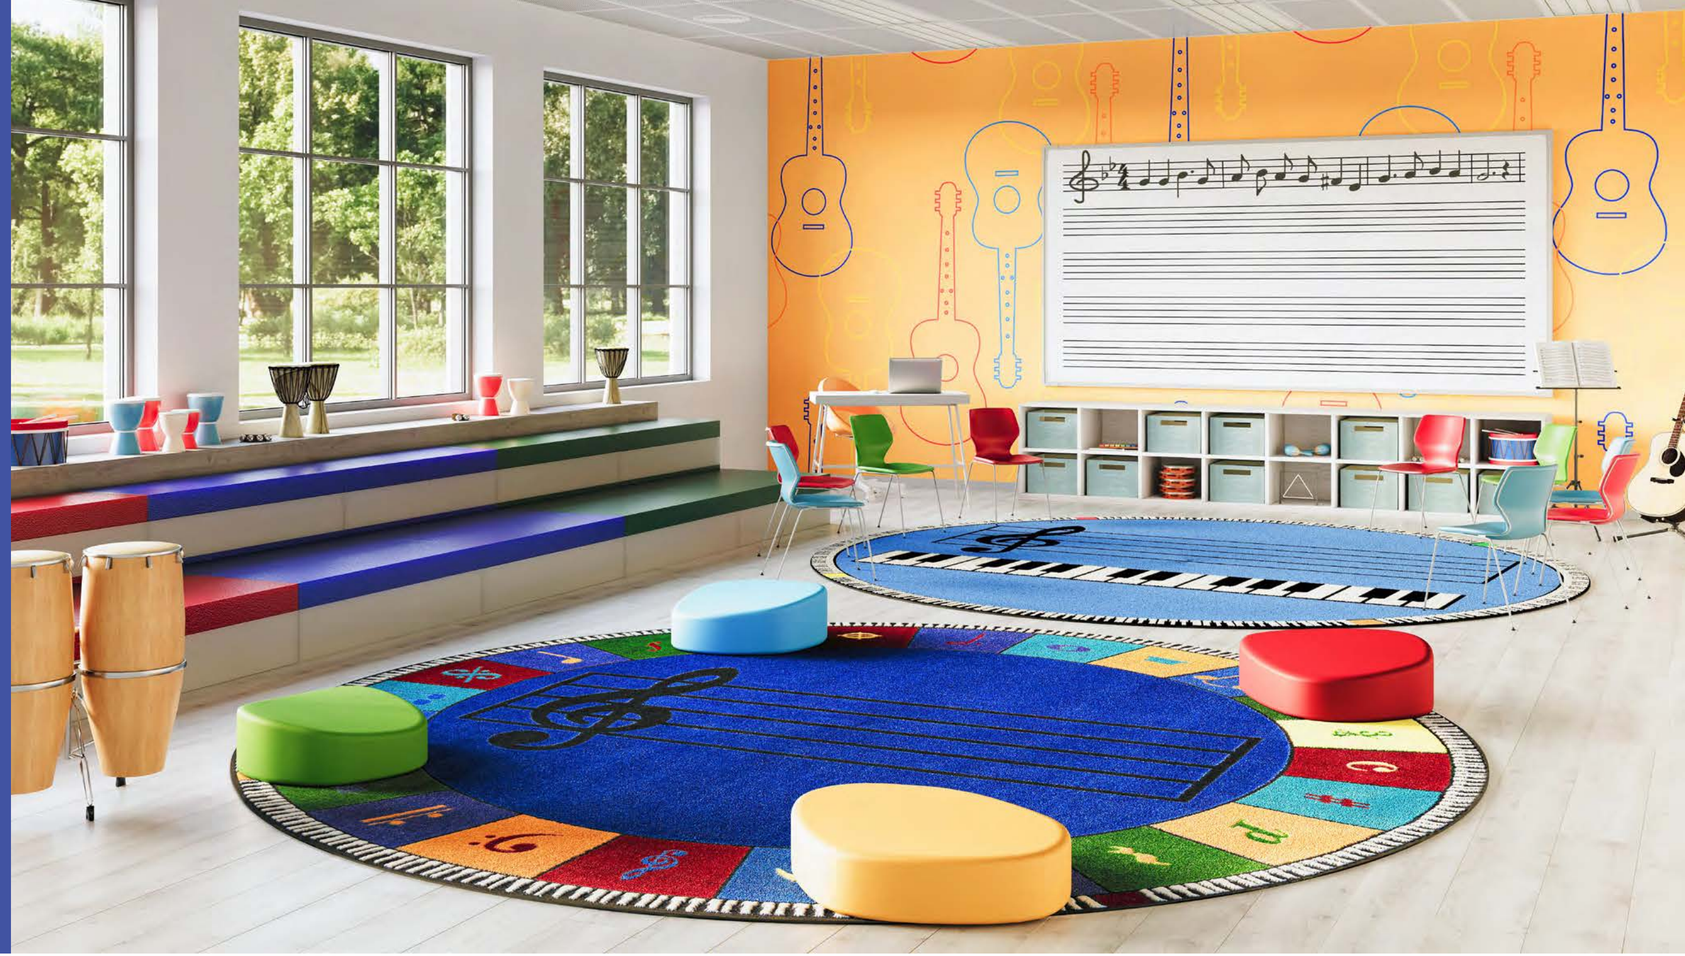

Alphabet for Everyone™

All Together Now™

creative environments

Music & Arts education is a critical component to a comprehensive educational experience. Create a rich artistic environment and nurture a young child's abilities with these vibrant rugs. Music and art can be an invaluable addition to the classroom and can foster a lifelong appreciation and love for the arts.

Note Worthy™ // Elementary + **Play Along**™// Blue w/ Keys

Take Note™

Paint & Learn™

natural surroundings

Children love nature and playing outside. Bring the outdoors in with these inspiring and whimsical rugs that are reminiscent of what we see in our natural world. Snuggle up with a favorite book or have group circle time with any one of these delightful rugs.

Campfire Fun™ + Tranquil Pond™

Feeling Natural™ // Walnut

GreenSpace™

natural surroundings

Like a breath of fresh air, these understated yet decorative classroom rugs are designed for spaces where less is more. Inspired by natural elements and designed to work in the background rather than take center stage, these rugs are perfect for creating a comfortable, inviting environment where children will eagerly gather for engaged and inspired learning.

homescapes

Past Tense™ // Cloudy + **Attractive Choice**™ // Dove

homescapes

Stretched Thin™ // Dove

Easy Going™ // Sage + Light Blue

Desert Cameo™ // Terracotta + **Diamond Oasis**™ // Terracotta

Cozy Corner™ // Sage

homescapes

Canyon Tapestry™ // Terracotta

emotional wellness

Practice present-moment awareness, and help young students constructively manage their emotions with these calming classroom rugs. Simply designed using natural colors and textures, children can use these attractive rugs as areas to decompress, regain focus, and practice the important skills necessary for sound health and well-being.

Riverstone™ // Gray + **Rare Earth**™ // Night Sky

emotional wellness

Lively Leaves™ // Neutral

Peaceful Pebbles™ // Slate

biophilic design

Inspired by the push and pull of the built world versus nature, these trend-setting biophilic rugs push the boundaries of classroom design by showcasing flooring in a more connected way. These rugs mimic natural landscapes and can define spaces and create transitions, just like a grassy meadow gives way to a flowing stream.

Urban Edges™ // Meadow + **Surface Tension**™ // Meadow

biophilic design

Grown Up™

Terra Mae™ // Marine

Whether individual study, group projects, or full-class discussion, our Learning Commons rugs complement any activity and teaching style. Use these rugs to define learning zones and add a soft surface to large, open spaces.

learning commons

Cascade™ // Violet

learning commons

Reflex™ // Violet + **Off Balance**™ // Violet

Verve™ // Violet

makerspace

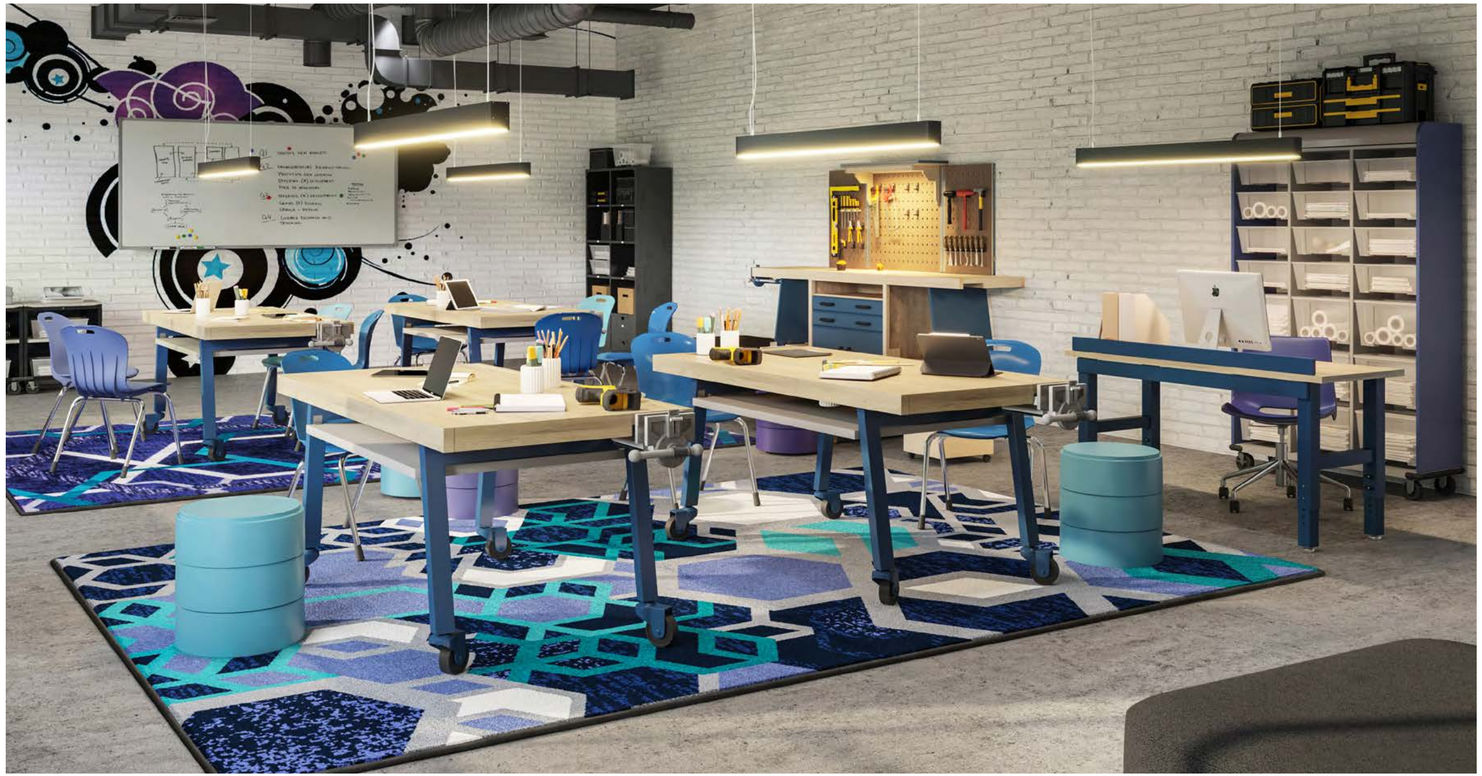

Veer off the beaten path and create an energetic, hi-tech interior with these makerspace designs. Deconstructed geometrics combined with asymetrical accents of color add extra dimension to collaborative spaces. Inspire students to reach their full potential with these eye-catching rugs that are certain to invoke a sense of engagement and creativity.

Stealth™ // Tangerine + **Recoil**™ // Citrus

Hexed™ // Citrus

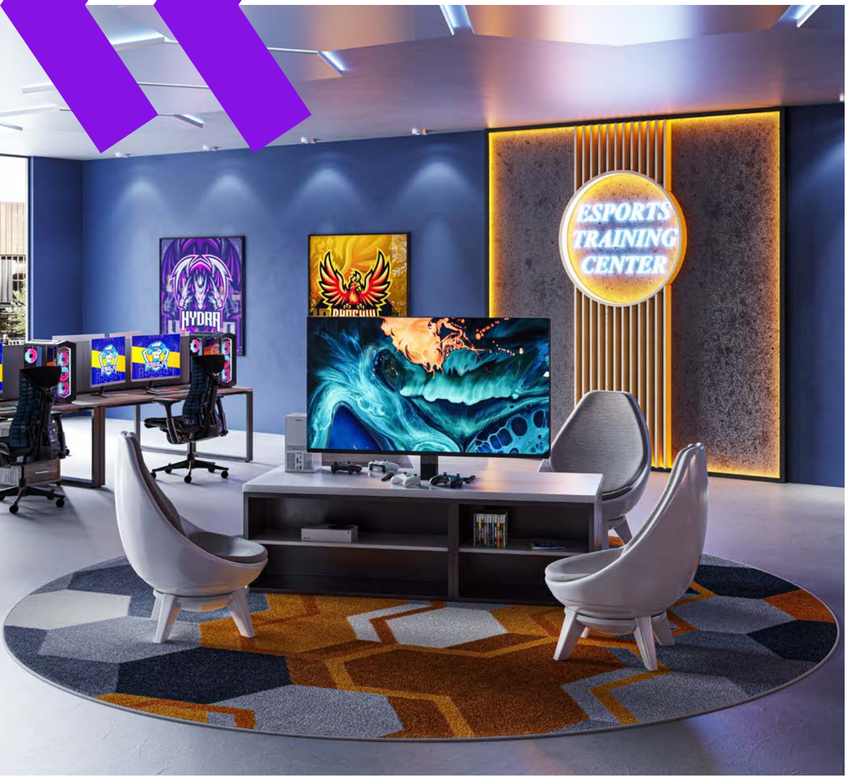

Structured™ // Violet

esports & gaming

Video gaming on computers, tablets, and phones is a part of everyday life for kids. Rather than play these games isolated at home, encourage after-school, extracurricular activity with a high energy gaming arena. Take your Esports space to the next level, and motivate and inspire students with these eye catching rugs. Harness students' passion for gaming and encourage a pastime that increases student engagement, fosters team building, and promotes healthy competition.

Team Up™ // Orange

Stealth™ // Teal

outdoor learning

Kick off your shoes and enjoy the relaxing and inviting feeling of the outdoors. Comfortable, casual, and low-maintenance, these vibrant and versatile rugs can be used anywhere and will coordinate with a wide range of classroom and outdoor décor.

outdoor learning

Water Mill™ // Ridgeline

Water Mill™ // Infusion + Tungsten
