For Stencil Inks and Ground Paints, See Page 674.

Individual Number and Letter Stencils

Create and arrange your own message with individual character stencils to mark areas and locations neatly, accurately, and consistently.

- Use spray- or brush-on paint for placing messages inside or outside
- Durable polyethylene plastic material
- Flexible stencil lays to conform to various surfaces, and provides crisp, accurate markings
- Easy to clean - roll stencil to flake off dried paint

To order individual number or letter, specify character after part number.
