Pennant Flag Tapes

Attention-getting pennant flag tapes are an effective way to surround, block off, and warn of hazardous areas.

Standard style has 9" x 12" red, polyethylene plastic pennant flags sewn onto durable cord (approx. 66" of lead cord on each end). Ideal for indoor and temporary outdoor applications.

Heavy-Duty style has large 18" x 18", tough, tear-resistant 9-oz. vinyl laminated, fluorescent orange nylon pennant flags sewn onto high-tensile strength cord. Flags are 18" apart with 20-ft. of lead tape at each end. Ideal for extended periods outdoors.

OSHA-Compliant style has 18" x 18" brightly colored fluorescent orange or yellow, durable flags sewn onto a heavy duty reinforced chord that exceeds OSHA's 500-lb. tensile strength requirements for use in above ground construction areas, flat roof jobs, and upper level construction. Meets OSHA 1926.502(f)(2)(iv) withstanding the harshest conditions.

PERSONALIZE IT!
