### *Custom 4-Digit DOT Placards*

We can create 4-digit DOT placards in small to large quantities. Placards would contain your specified 4-digit identification number. Contact us today for a quote. Specify material by part number and provide us the hazard classification, hazard division, 4-digit identification number, and quantity.

*Note: If the placard is to be used on public roadways and railways, it must contain the proper combination of hazard classification, division, and identification numbers, as specified by DOT.*
