Classic C33
Bid Specs

Bid Summary: The Bullard Model C33 is a full-brim hard hat offered with the option of a pinlock or ratchet suspension which features a replaceable cotton brow pad. The suspension system has six points of attachment with six separate keys for a secure fit and 1" wide crown straps for comfort.

Specific Features:

- Hat style helps protect against splash, glare and sun exposure.
- Your choice of either the self-sizing 6-point pinlock suspension (RS6PC) or 6-point dielectric, Flex- Gear® ratchet suspension (RS6RC). The 6-point suspension system provides a comfortable, secure fit and allows for the distribution of energy over three crossed straps attached at 6 points.
- Pinlock suspension – Incremental sizing of 1/16" hat size (5mm) makes a secure fit easy.
- Pinlock suspension - Vertical adjustment capability (two in front, two in side, three in rear) for a secure fit to different head sizes.
- Pinlock suspension - Size adjustments allow the headband to be centered inside the shell for better balance and comfort.
- Ratchet suspension – Ratchet suspensions can be adjusted between hat sizes 6 $^{1}/_{2}$" - 8".
- Ratchet suspension – Vertical adjustment capability (two in front, two in side, three in rear) for a secure fit to different head sizes.
- Wide (1") crown straps provide more comfort and helps the suspension system absorb energy. The round, wide crown area also allows for good ventilation.
- Replaceable cotton brow pad is comfortable and cools by pulling moisture away from the skin.
- Pad print capability in up to eight different locations on the hat – logos may have up to six colors per location.
- Two-year warranty. Bullard reputation can be seen in the attention to detail on comfort and fit.
- Distinctive Three-Rib trademark.
- Made in the USA.
