Standard S62
Bid Specs

Bid Summary: The S62 is the Bullard Standard Series vented hard hat. It sports a low-profile, vented shell design and upgraded features and benefits. With its 4-point suspension system, users can choose from a pinlock or upgraded Flex-Gear® ratchet suspension with absorbent, cotton brow pad. The S62 is ideal for the construction and everyday work environments.

Specific Features:

- Your choice of either the self-sizing 4-point pinlock suspension (RS4PC) or 4-point dielectric, Flex-Gear ratchet suspension (RS4RC). The upgraded suspension system provides a more comfortable, secure fit.
- Pinlock suspension – Incremental sizing of 1/16 hat size (5mm) makes a secure fit easy.
- Ratchet suspension – Ratchet suspensions can be adjusted between hat sizes 6 $^{1}/_{2}$ - 8.
- Replaceable cotton brow pad is pillowed for maximum comfort. Velcro replacement brow pads are available in absorbent cotton, a cooling material, or a vinyl material.
- Vented shell design for increased ventilation and worker comfort.
- Features accessory slots for attaching a variety of accessories such as earmuffs and face protection, including those of other manufacturers.
- Pad print capability in up to eight different locations on the hat – logos may have up to six colors per location.
- Two-year warranty. Bullard's reputation can be seen in the attention to detail on comfort and fit.
- Vertical height adjustment capability (two front, two rear) allow for a personal, secure fit.
- One of the lightest helmets of its class.
- Distinctive Three-Rib trademark.
- Made in the USA.
