CLEGML
Garment - Other
Specification Sheet

PRODUCT DESCRIPTION:

At MCR Safety, we take your safety very seriously. That is why we strive to offer more hi-visibility products than ever before to make sure you are seen in complex and low light environments. The CLEGML gaiter is made of cool breathable polyester lime mesh material and features 2 Inch silver reflective stripes. This product meets ANSI-107 Class E Standards and when worn with Performance Class 2 or Class 3 garments, the overall classification is considered Performance Class 3. This product features three adjustable hook and loop straps to secure each gaiter securely around each leg between the ankle and the knee. Elastic straps on the top and bottom gives a snug fit that will move and stretch as you do. Be seen in MCR Safety Gaiters. Also available in orange (CLEGMO).

FEATURES:

- Cool polyester lime mesh material
- Meets ANSI 107 Class E High Visibility Standards
- 2 Inch dual silver reflective stripes encircle the gaiter
- 3 adjustable hook and loop straps
- Open elastic band on top and bottom

APPLICATIONS:

Agriculture, Airport , Carpentry, Construction, Demolition, Flagman, Landscaping, Manufacturing, Paving, Railroad, Road construction, Sanitation, Surveyor
