457 - SKYSTEP™ ESD

PRODUCT INFORMATION BROCHURE

NOTRAX®
Justrite Safety Group

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

457 - SKYSTEP™ ESD is a standalone rubber mat designed for individual work stations. Ergonomically engineered, the SkyStep™ ESD utilizes the power of air. The mat is designed to suction to the ground to prevent shifting while trapping air in its chambers. These air pockets combined with the resiliency of the rubber create an ultimate cushioning effect while keeping the mat lightweight. Superb anti-fatigue properties due to the ergonomic bubble pattern. Molded, beveled edges are on all four sides to prevent trip hazards.

Material: Rubber

Features and Benefits:

- Rubber molded, air-pocket underside anti-fatigue mat
- Designed to suction to the ground to prevent shifting while trapping air in its chambers
- Made of heavy duty natural rubber compound
- ESD Static Dissipative, measured resistance 10^5 - 10^7 Ω
- Beveled edges on all 4 sided
- Grounding cord available, not required

MODEL: 457

APPLICATIONS

- Dry industrial stand alone workstations where electrostatic discharge may be present

SPECIFICATIONS

Stock Sizes	2'x3', 3'x4', 3'x5'
Thickness	5/8"
Colors	Black
