462 - SKYMASTER® HD NIRU®

PRODUCT INFORMATION BROCHURE

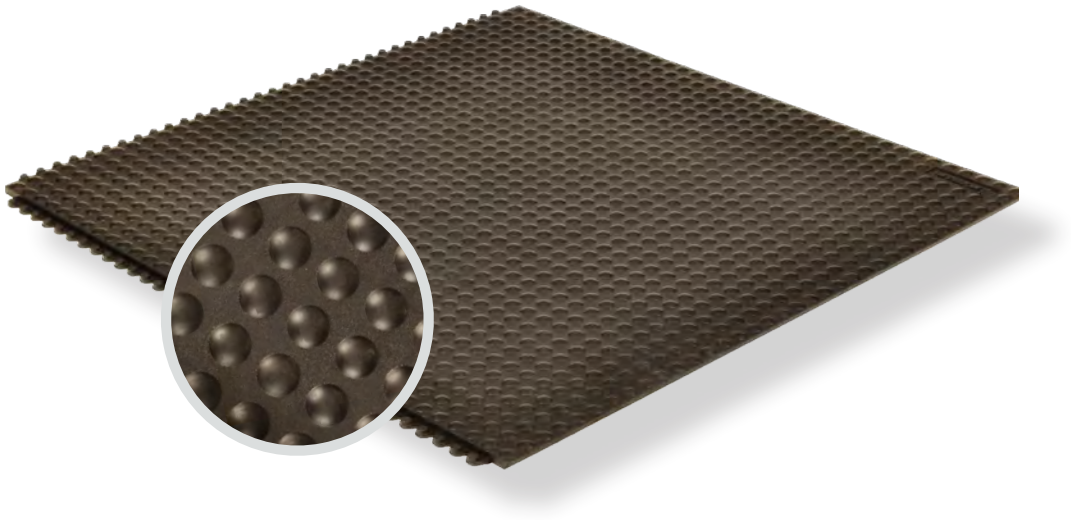

Justrite Safety Group

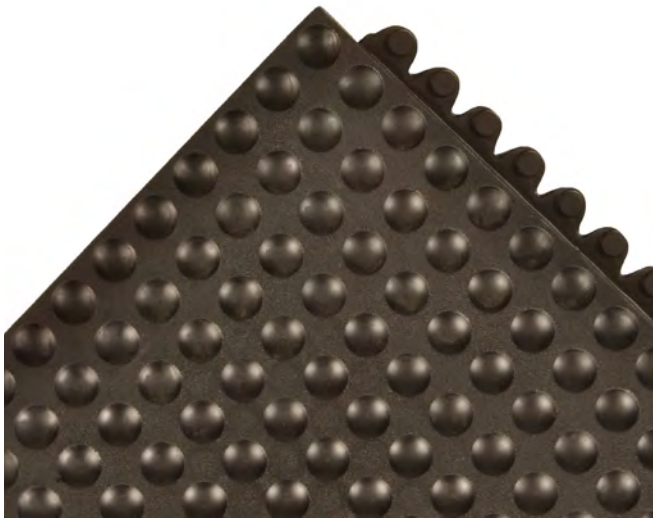

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

462 - SKYMASTER® HD NIRU® is a heavy duty Nitrile rubber compound mat for industrial strength that provides the highest degree of resistance to chemicals, cutting fluids, animal fats, oils and greases. Snap together tiles of 3'x3' can be easily assembled for coverage of large areas or individual workstations. Ergonomic benefit derived from a ½" thick worker platform with a bubble pattern for maximum fatigue relief in dry industrial environments. The unique design and craftsmanship make the mat easy to handle and easy to install on site. A tooled grid of 11x11" sections on the underside of the mat makes further customization quick and easy. Available beveled edges prevent tripping and allow inside and outside corners. Range of accessories including Skymaster® HD Yellow Safety line™ and Skymaster® HD i-Curve™ and Skymaster® HD o-Curve™ series.

MODEL: 462

Material: Nitrile Rubber

Features and Benefits:

- Resilient Nitrile rubber compound and unique support design offers exceptional fatigue relief
- Bubble top surface for added comfort that is easy to clean
- Easy to snap together mats on-site for custom work station platforms
- Nitrile provides highest level of resistance to chemicals, oils and greases
- Compatible with any of the Skymaster® HD family of mats
- #461 Skymaster® HD Ramps and #469 Safety Line available

APPLICATIONS

- Heavy Duty - Dry industrial environments with exposure to oil
