501 - CUSHION CONNECT™

PRODUCT INFORMATION BROCHURE

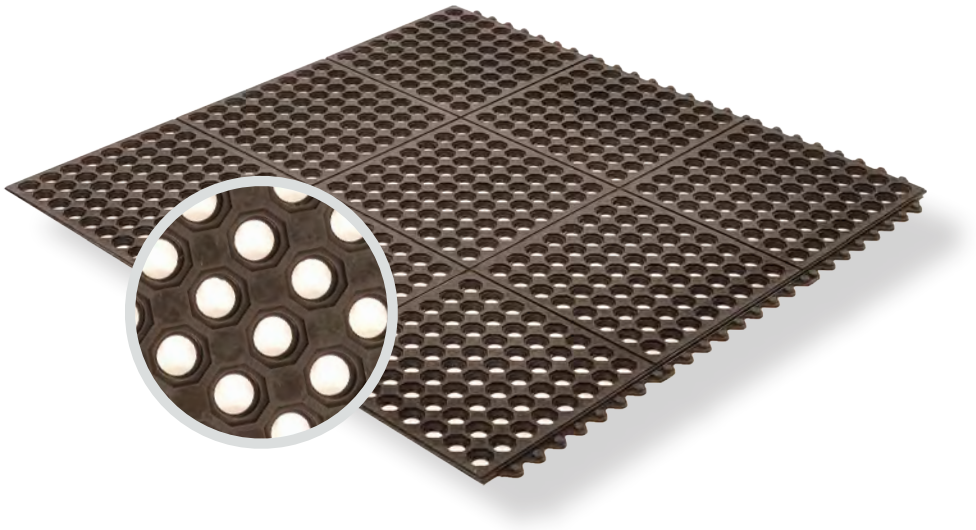

NOTRAX®
Justrite Safety Group

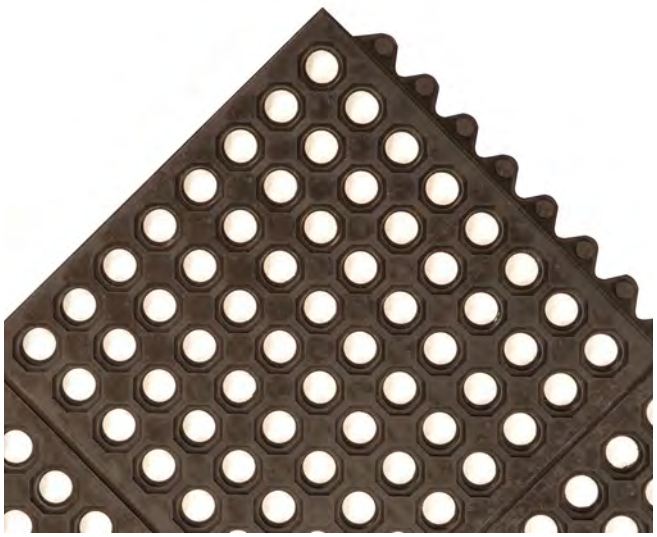

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

501 - CUSHION CONNECT™ is a lightweight modular anti-fatigue mat system with molded-in mat connectors for easy on-site custom configurations and longer lengths. An anti-slip surface increases traction in wet or greasy areas and multi-nib backing enhances the ergonomic support of the mat. It's large hole design provides excellent drainage removing liquids and debris from the worker platform and its' lightweight construction makes it easy to handle. Cushion Connect™ has an available beveled ramp system to reduce trip hazards, allowing for easy access onto and off of the mat.

MODEL: 501

Material: General Purpose Rubber

Features and Benefits:

- Raised edging around each hole creates a slip resistant surface
- Large drainage holes remove liquid and debris from worker platform
- Modular mat for quick and easy configurations
- Lightweight design for easy handling and cleaning
- Molded-in mat connectors
- Optional rubber ramps available for trip-resistant platform (581 Ramp)

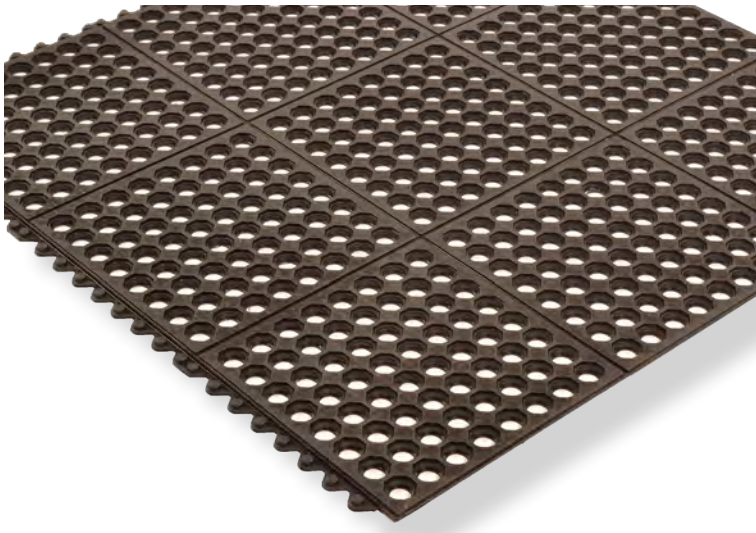

APPLICATIONS

- Wet environments where comfort and durability is critical and a modular design may be needed.

SPECIFICATIONS

Stock Sizes	3'x3'
Thickness	1/2"
Colors	Black

Performance:	Good	Better	Best	Superior
Wear Resistance	■			
Anti-Fatigue Performance	■			
Slip Resistance	■			

TESTING DATA

Test	Test Description	Results
ASTM C1028-96	Static Coefficient of Friction	Dry 0.61 Wet 0.61
ASTM D395	Compression Set	@25% / 6.80%
ASTM D3884-01	Abrasion Resistance (Results measured in weight loss - %)	@ 1,000 cycles (3.78%)
ASTM D1171	Method A Ozone	Slight Cracking and Crazing
CPSC FF 1-70 ASTM D-2859	Surface Flammability of Carpets and Rugs Ignition Characteristics - Finished Textile Floor Covering Material	Pass

*Testing performed by an independent test laboratory.
