Justrite Safety Group

504 - BEVELED DRAIN-STEP™

PRODUCT INFORMATION BROCHURE

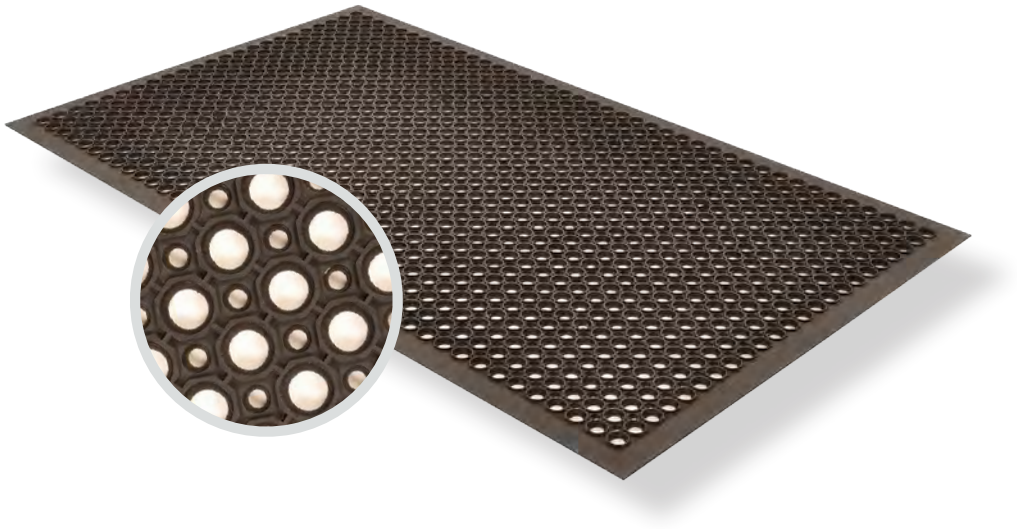

NOTRAX®
Justrite Safety Group

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

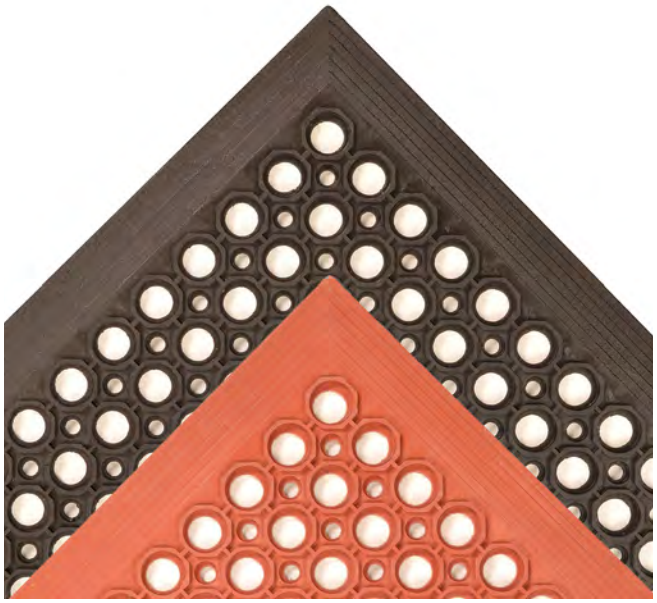

504 - BEVELED DRAIN-STEP™ is designed for wet workstation environments that require basic fatigue relief. A large and small hole drainage system channels liquid and debris away from the work area. Molded in beveled edges on all four sides eliminates trip hazards

Material: General Purpose Rubber

Features and Benefits:

- Economic general purpose black rubber compound
- Large hole drainage design keeps liquids and debris away from worker platform
- Beveled edges on all 4 sides

MODEL: 504

APPLICATIONS

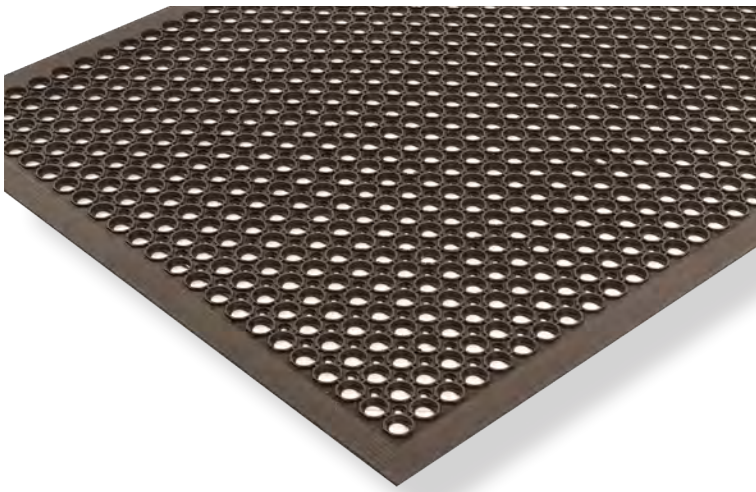

- Wet Workstations
- Assembly Lines
- Packaging Areas
- Service Counters

SPECIFICATIONS

Stock Sizes	3'x5'
