PRODUCT INFORMATION BROCHURE

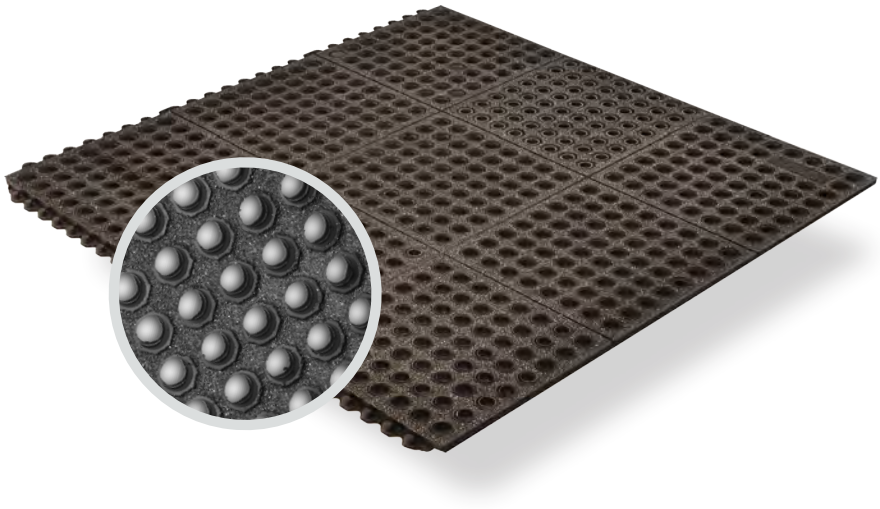

Justrite Safety Group

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

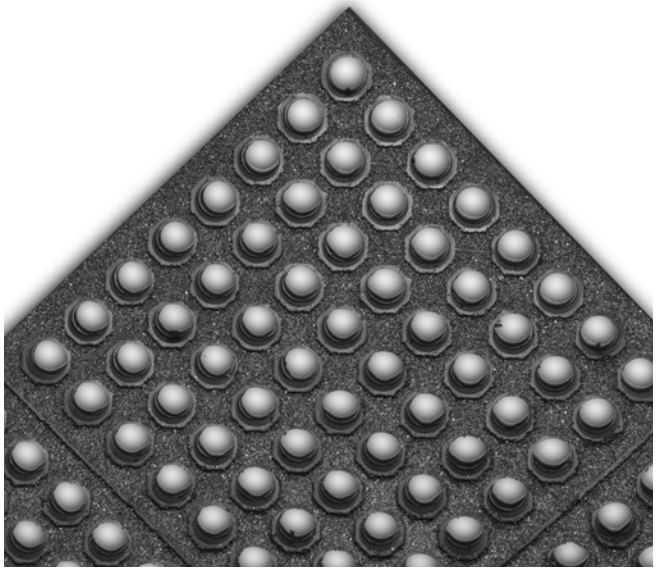

505 - GRIP-STEP™ is a modular anti-fatigue matting system made with a general purpose rubber compound with a drainage top anti-slip surface texture and a multi-nib backing for comfort and ergonomic support of the mat. Grip-Step™ has a silicon carbide grit surface for extreme traction in the harshest of work environments. Large holes provide excellent drainage and aeration leaving a dry, clean work area.

Material: General Purpose Rubber

Features and Benefits:

- Rubber compound and unique multi-nib support design offers fatigue relief
