555 - SUPERFLOW™ XT ESD

PRODUCT INFORMATION BROCHURE

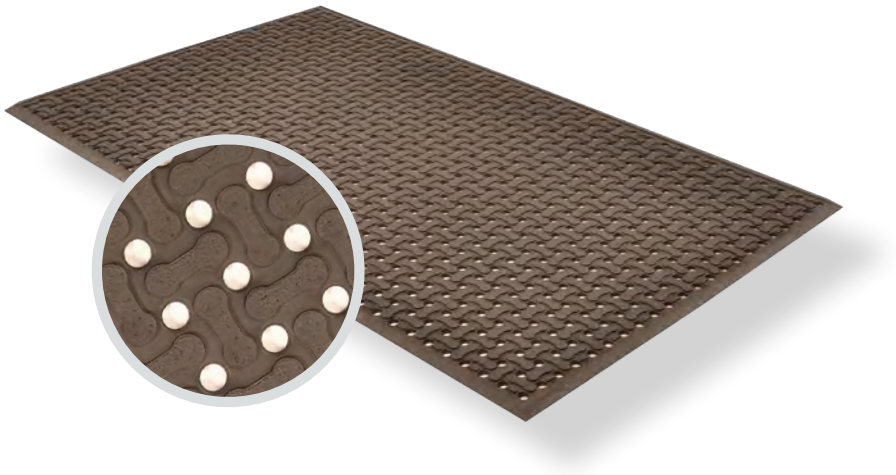

Justrite Safety Group

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

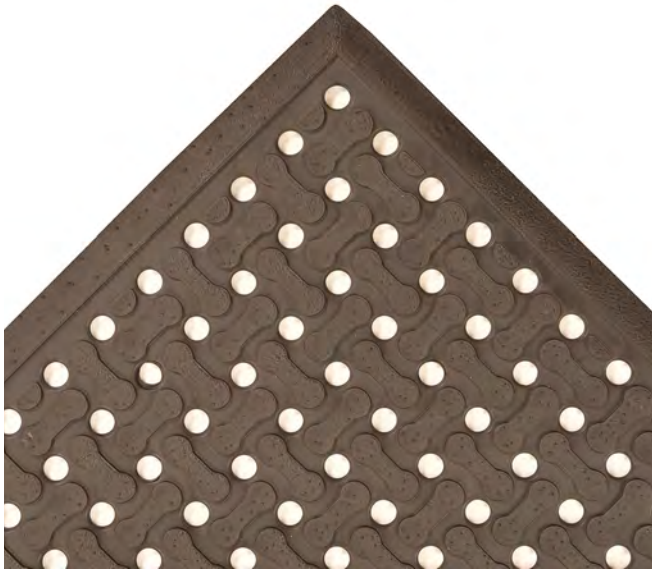

555 - SUPERFLOW™ XT ESD is an Electro Static Discharge (ESD) protective mat that is formulated to drain static electricity from workers to safeguard against static shocks and protect equipment. It is a lightweight anti-fatigue workstation mat available in general purpose rubber compound and It's design makes it a perfect choice for applications where the mat is routinely moved for cleaning. Superflow™ XT ESD is reversible further extending the life of the mat. A drainage system facilitates the removal of liquids and debris from the work area and the molded-in beveled edges reduce trip hazards and allow for easy access onto and off of the mat. Superflow™ XT ESD has an aggressive textured top surface that provides additional traction in wet or greasy areas.

Material: Rubber

Features and Benefits:

- Drainage system removes liquid and debris
- Lightweight for easy handling and cleaning
- Reversible design to extend service life
- Made with general purpose rubber
- Molded-in beveled edges
- ESD Conductive - measured resistance Rg 10^4 - 10^6 Ω/Rp 10^4 - 10^6 Ω

MODEL: 555

APPLICATIONS

- ESD workstation environments with exposure to water and a need for drainage and comfort.

SPECIFICATIONS

Stock Sizes	2'x3', 3'x5', 4'x6'
Thickness	5/8"
Colors	Black

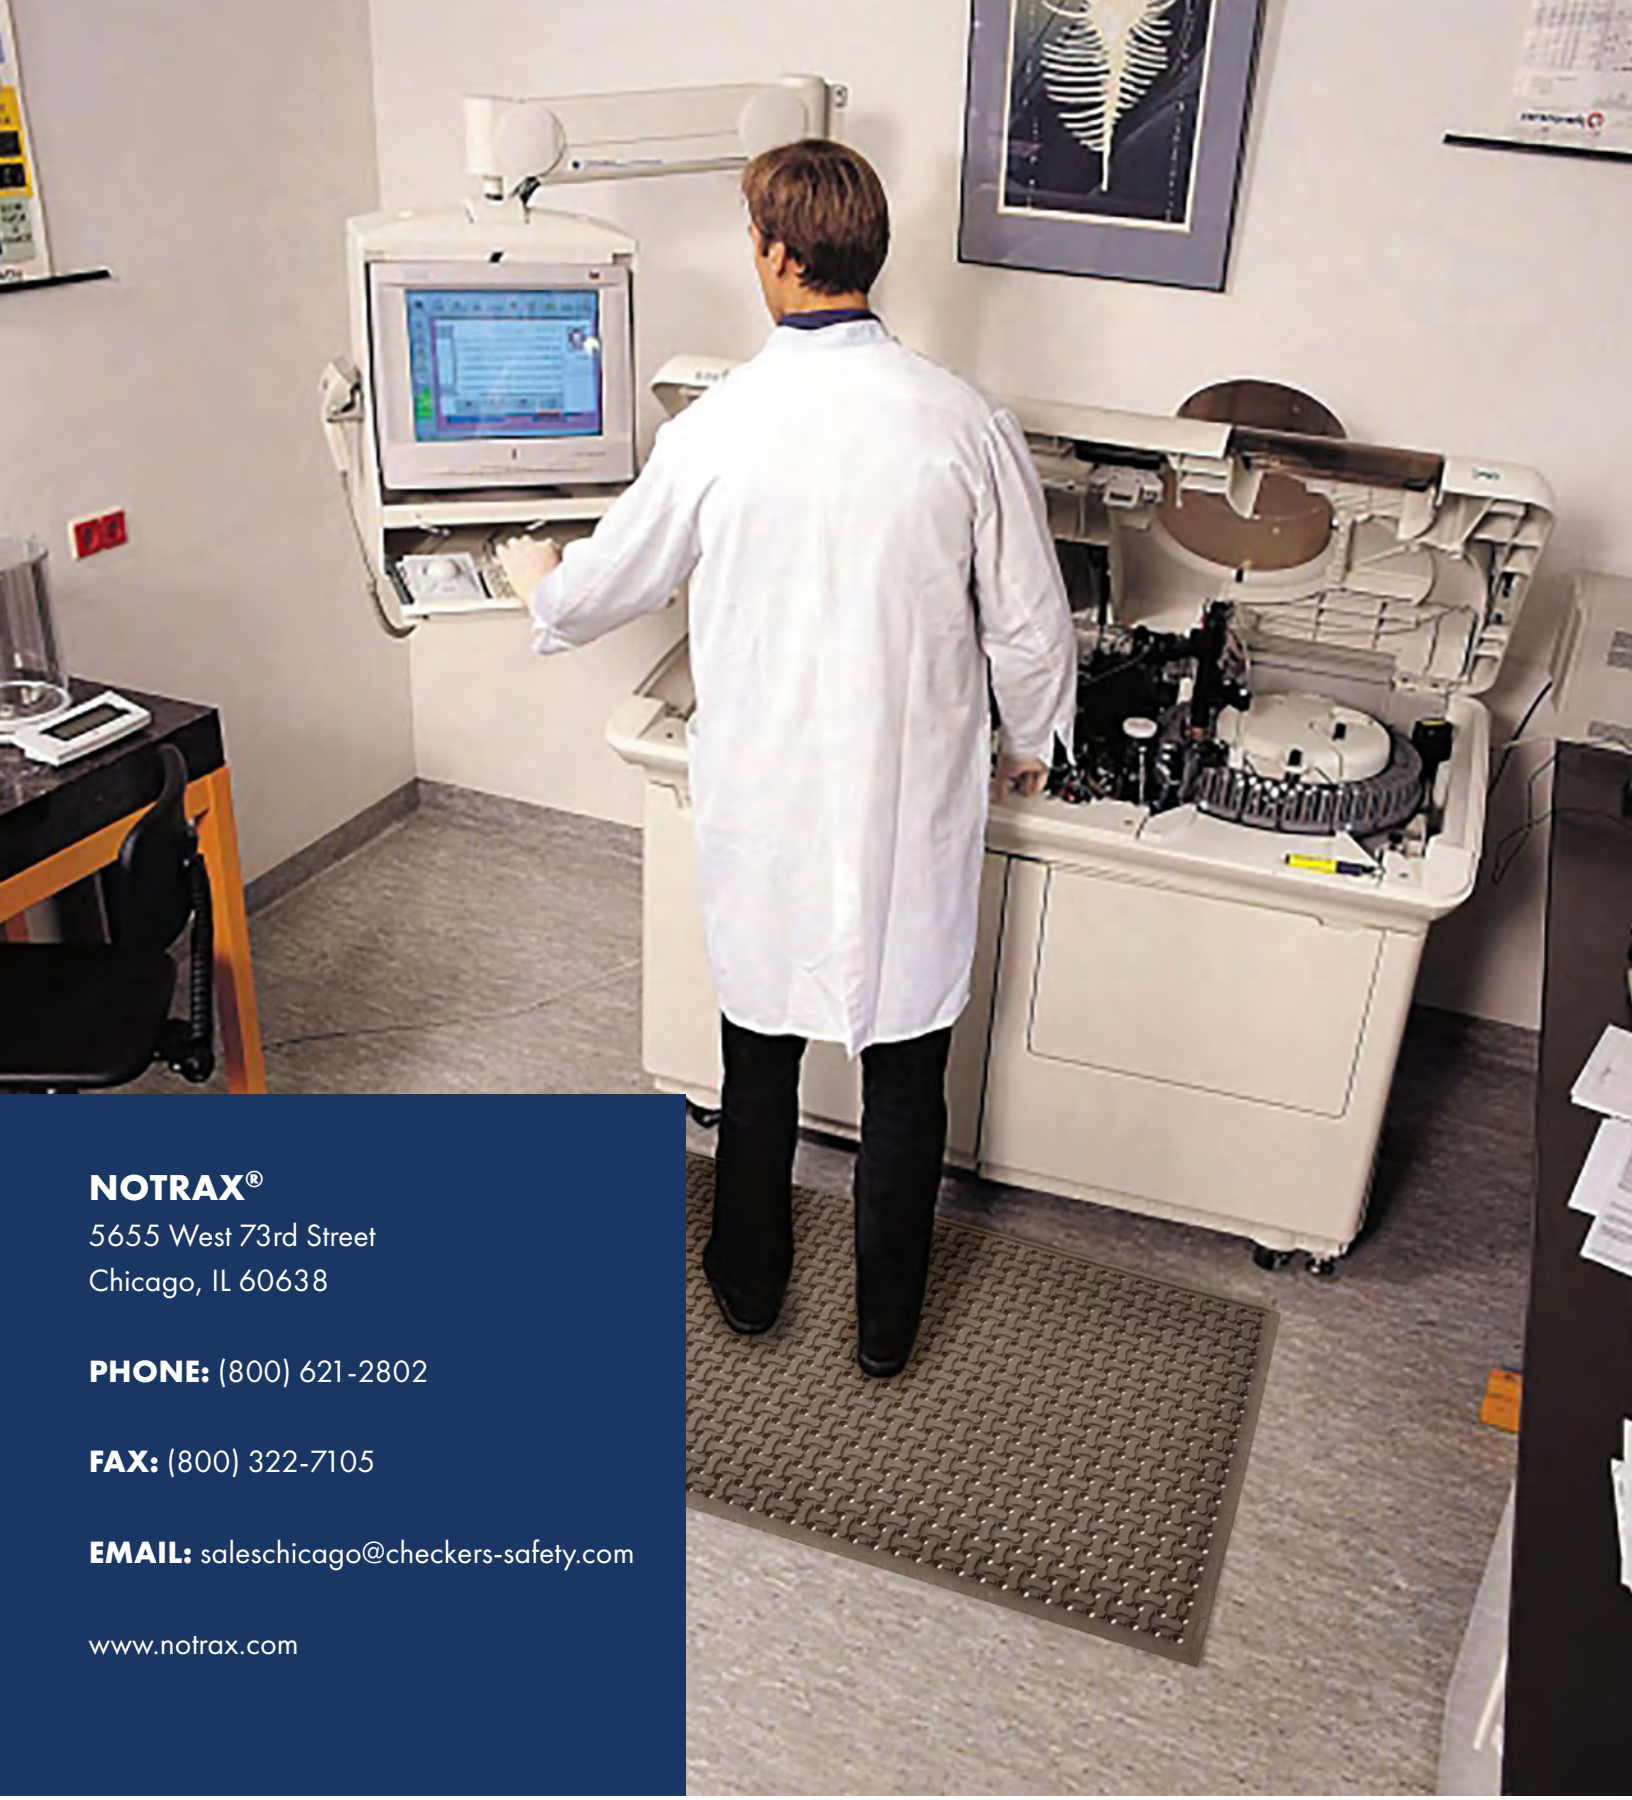

Performance:

	Good	Better	Best	Superior
Wear Resistance				
Anti-fatigue Performance				
Slip Resistance				

Anti-Fatigue · Cleaning · Floor Protection · Drainage · Anti-Static · Oil/Grease Resistant · Anti-Slip
