558 - CUSHION-EASE® ESD SOLID

PRODUCT INFORMATION BROCHURE

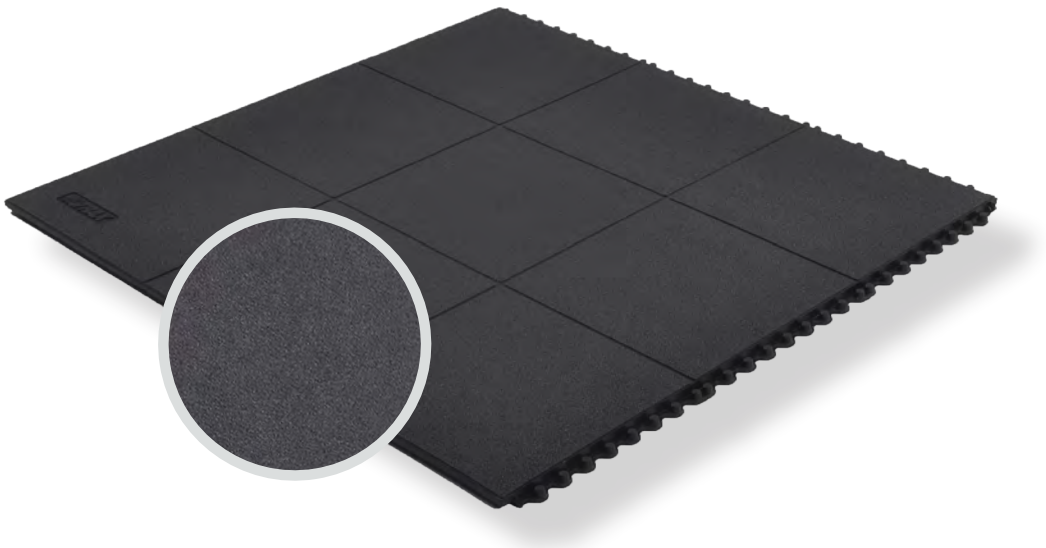

Justrite Safety Group

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

558 - CUSHION-EASE® ESD SOLID is an Electro Static Discharge (ESD) protective mat that is formulated to drain static electricity from workers to safeguard against static shocks and protect equipment. Cushion-Ease® ESD Solid modular anti-fatigue matting system is made with a resilient rubber compound with a solid top anti-slip surface texture and a multi-nib backing for comfort and ergonomic support of the mat. The solid-top design of Cushion-Ease® ESD Solid has an anti-slip surface texture for added traction and is easy to clean. All Cushion-Ease® mats have a male/female interlocking system and are compatible with Notrax® M.D. Ramp System® for easy on-site custom configurations and trip-resistant platforms.

MODEL: 558

Material: Natural Rubber

Features and Benefits:

- ESD Static Dissipative
- Resilient rubber compound and unique support design offers exceptional fatigue relief
- Solid top design with an anti-slip surface texture is easy to clean
- Easy to snap together mat on-site for custom work stations
- Rubber compound is grease resistant
- (ESD) Conductive - measured resistance Rg 106 - 109 Ω/Rp 106 - 109 Ω
- Compatible with any Cushion-Ease® family mats
- 551 M.D. Ramp System® and 552 extra wide M.D.-X Ramp System™ available
- Grounding cord available, not required
