573 - DE-FLEX® ESD

PRODUCT INFORMATION BROCHURE

NOTRAX®
Justrite Safety Group

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

573 - DE-FLEX® ESD is an Electro Static Discharge (ESD) protective mat that is formulated to drain static electricity from workers to safeguard against static shocks and protect equipment. De-Flex® ESD is extremely comfortable heavy duty anti-fatigue matting system with popular diamond plate traction surface that can be easily assembled for coverage of large areas or individual workstation mats. The modular rubber tiles are designed with a universal double-locking system on all sides to ensure an extra strong yet seamless connection for fast installation. The platform insulates the worker from the hard ground while the bulleted domes underneath allow the mat to bend and flex with every movement. Unique extended ramp prevents tripping and allows cart access with smart beveling solutions for inside and outside corners.

MODEL: 573

Material: Natural Rubber

Features and Benefits:

- Resilient rubber compound with bulleted domes underneath for to bend and flex for fatigue relief
- Solid top diamond plate design provides traction
- Easily snap together tiles with no male/female ends
- ESD Static Dissipative, Rg 10^6 - 10^9 Ω, Rp 10^6 - 10^9 Ω
- Compatible with any De-Flex^x family mats
- 571 De-Flex® Ramps available
- Optional ground cord available

APPLICATIONS

- Workstations
- Packaging Areas
- Assembly Lines
- Welding Areas

SPECIFICATIONS

Stock Sizes	18"x18"
Thickness	3/4"
Colors	Black

Performance:

	Good	Better	Best	Superior
Wear Resistance				
Anti-fatigue Performance				
Slip Resistance				

Anti-Fatigue · Anti-Slip · Floor Protection · Heavy Traffic · Insulation · Modular · Anti-shock
