NOTRAX®
Justrite Safety Group

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

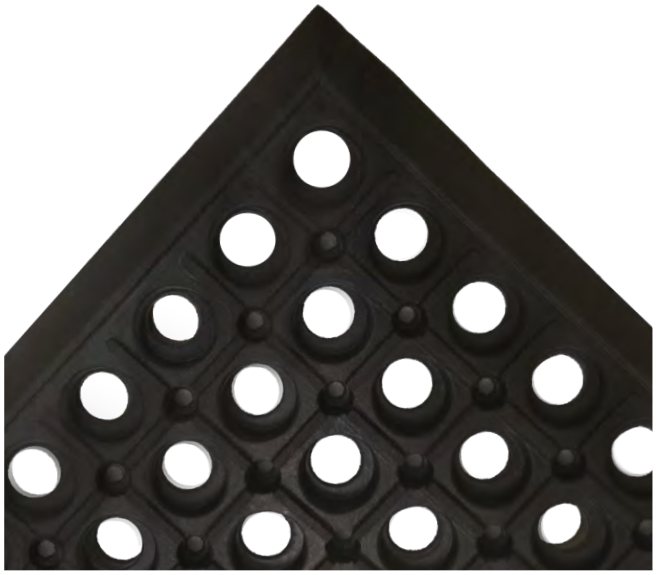

619 - DRAIN LITE™ is a cost effective all-purpose anti-fatigue mat with molded-in beveled edges for a more workstation oriented environment. Drain Lite™ has a lightweight design making it perfect for applications where the mat is routinely moved for cleaning. Large hole drainage system facilitates the removal of liquids and debris from work areas and the molded-in beveled edges reduce trip hazards, allowing for easy access onto and off of the mat.

Material: General Purpose Rubber

Features and Benefits:

- Raised edging around each hole creates a slip resistant surface
- Large drainage holes remove liquid and debris from worker platform
- Ultra lightweight for easy moving
- General purpose black rubber
- Molded in short beveled edge on all 4 sides

MODEL: 619

APPLICATIONS

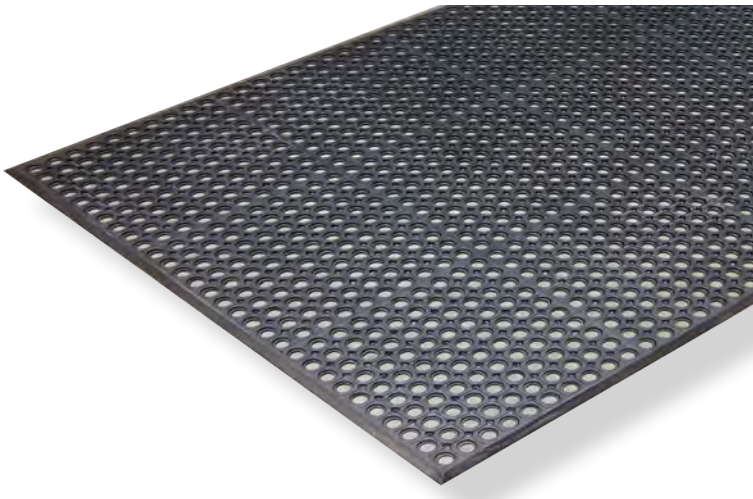

- General purpose, light duty environments.
