765 - DEEP FREEZE MAT™

PRODUCT INFORMATION BROCHURE

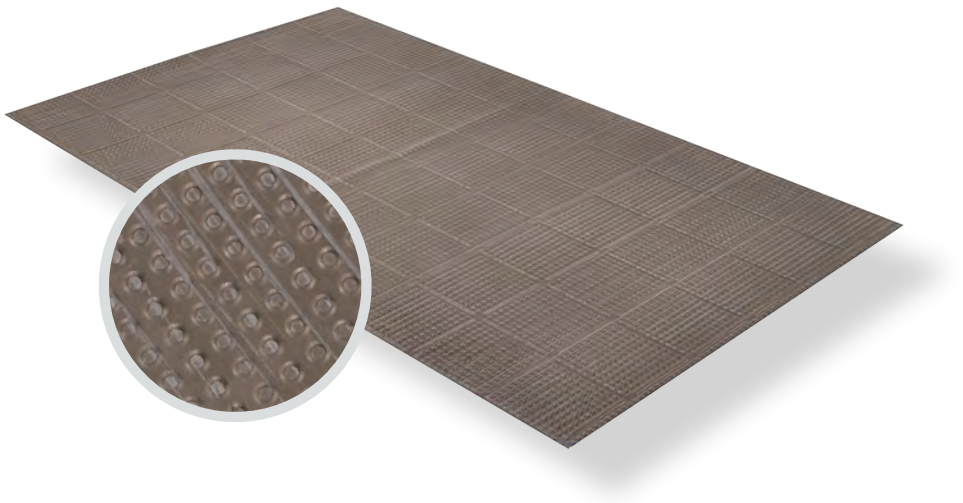

NOTRAX®
Justrite Safety Group

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

765 - DEEP FREEZE MAT™ is the only rubber mat specifically formulated to perform in deep freeze environments. Tested to withstand temperatures to -40 degrees Fahrenheit, this anti-slip mat features a raised knob solid top surface to enhance traction, and is designed for use in meat lockers, walk-ins, and other specialty freezer applications. Manufactured with MicroStop® anti-microbial rubber compound.

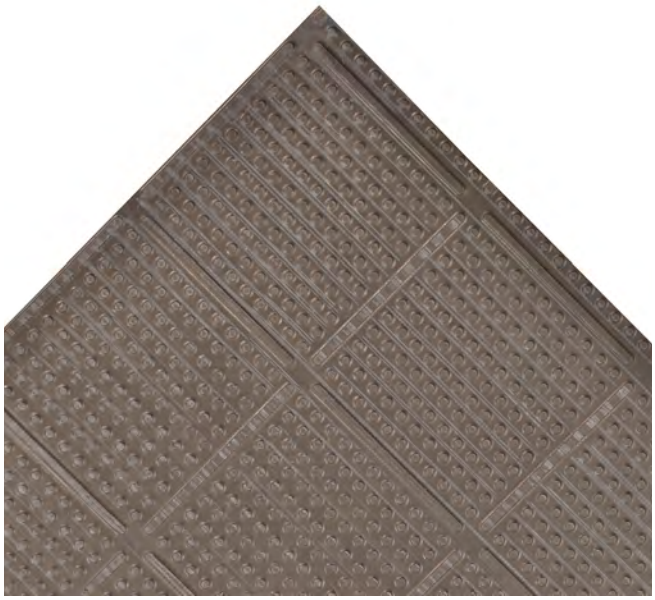

Material: Rubber

Features and Benefits:

- Raised knob solid top surface that enhances traction
- Tested to withstand temperatures to -40 Fahrenheit
- MicroStop® anti-microbial rubber compound
- Low profile for easy cart traffic

MICRO STOP
