Justrite Safety Group

T12 - SAN-EZE®

PRODUCT INFORMATION BROCHURE

Justrite Safety Group

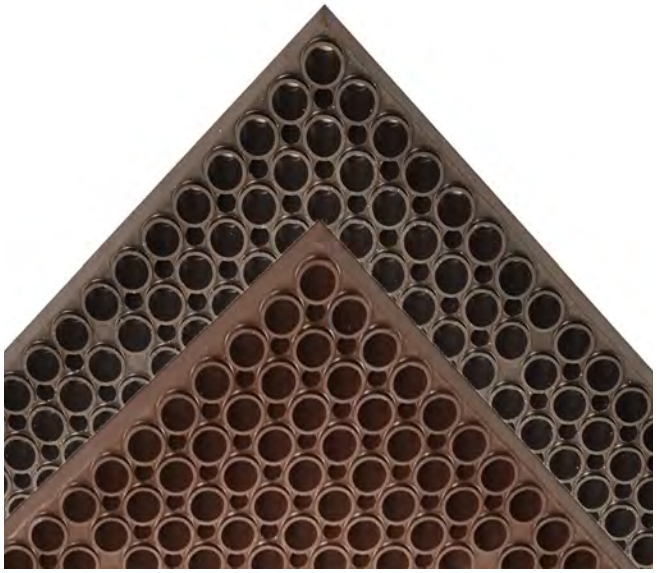

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

T12 - SAN-EZE® is made from a 100% heavy-duty Nitrile rubber compound providing the ultimate in grease and oil resistance and is NSF tested and certified (brown only). San-EZE® is specially formulated to provide superior ergonomic comfort and traction in wet or greasy areas. A large hole drainage system facilitates the removal of liquids and debris from work areas further enhancing slip resistance. Modular design with available connectors and attachable beveled ramps and corners reduce trip hazards, allowing for a variety of custom configurations. Manufactured with MicroStop® anti-microbial rubber compound.

MODEL: T12

Material: Nitrile Rubber

Features and Benefits:

- Raised edging around each hole creates a slip resistant surface
- Large drainage holes remove liquid and debris from platform
- Tested and certified by NSF International (brown only)
- Free of DOP, DMF, ozone depleting substances, silicone and heavy metals
- 100% Nitrile Rubber compound for superior grease and oil resistance
- Manufactured with MicroStop®
- Beveled ramp system and connector accessories available

7 YR WARRANTY · MICRO STOP · NSF
