Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

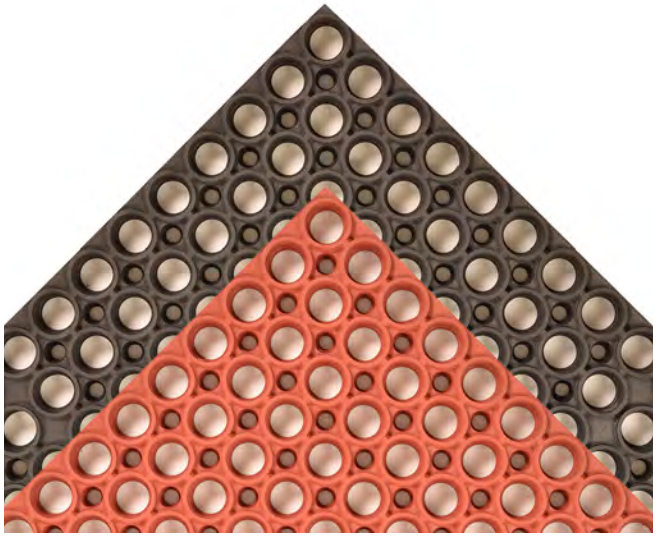

T13 - TEK-TOUGH® provides superior comfort and traction in wet and greasy areas with a large hole drainage system that removes liquid and debris from the work platform. Tek-Tough® is available in general purpose (black) and 100% heavy-duty Nitrile (red) rubber compounds for varying degrees of grease and oil protection. A large hole drainage system facilitates the removal of liquids and debris from work areas further enhancing slip resistance. Modular design with available connectors and attachable beveled ramps and corners reduce trip hazards, allowing for a variety of custom configurations.

Material: General Purpose Rubber (Black) and 100% Nitrile Rubber (Red)
