T17 - SUPERFOAM™

PRODUCT INFORMATION BROCHURE

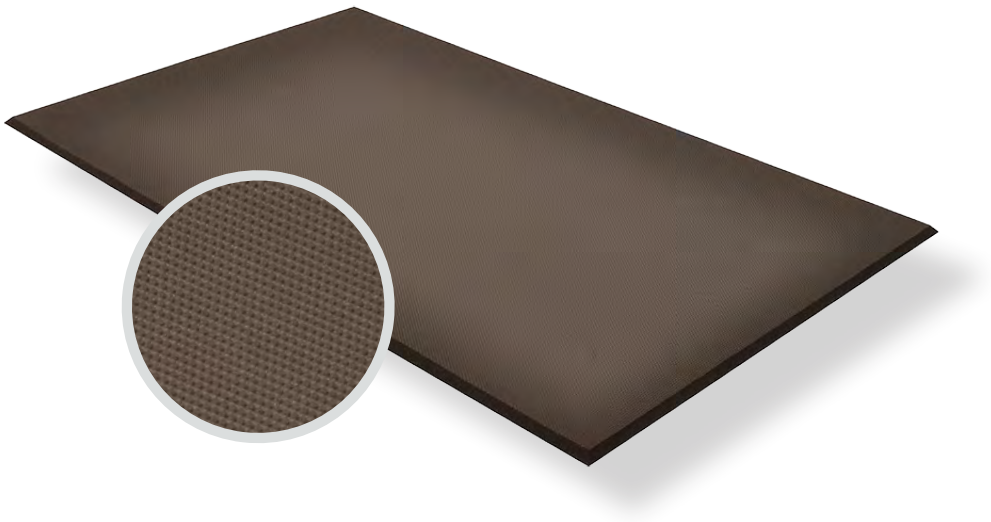

Justrite Safety Group

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

T17 - SUPERFOAM™ is an extremely lightweight durable anti-fatigue foam mat designed especially for ease of handling and ergonomic comfort. Made from a closed cell PVC Nitrile foam blend Superfoam™ does not absorb liquids and is highly resistant to greases, oils, animal & vegetable fats. This allows it to be used in areas where occasional overspray and dripping occur such as dishwashing stations and bar areas. Because Superfoam™ is lightweight, it is the perfect mat for use in areas where mats are regularly moved for cleaning like cooking lines, service counters, and food prep stations.

Material: Nitrile/PVC Fom Blend

Features and Benefits:

- Highly resistant to grease, oils and animal & vegetable fats
- Closed cell nitrile foam, does not absorb liquids
- Durable and abrasion resistant
- Solid for dry areas
- Perforated drainage holes to remove liquid and debris for worker platform
- PVC/Nitrile closed cell foam blend
- Non-allergenic, silicone-free compound
- 45°, Beveled edges on all 4 sides

⚠ **WARNING:** This product can expose you to chemicals including di-2-ethylhexyl phthalate and/or diisononyl phthalate which is known to the State of California to cause cancer, birth defects or reproductive harm. For more information, visit www.P65Warnings.ca.gov
