For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

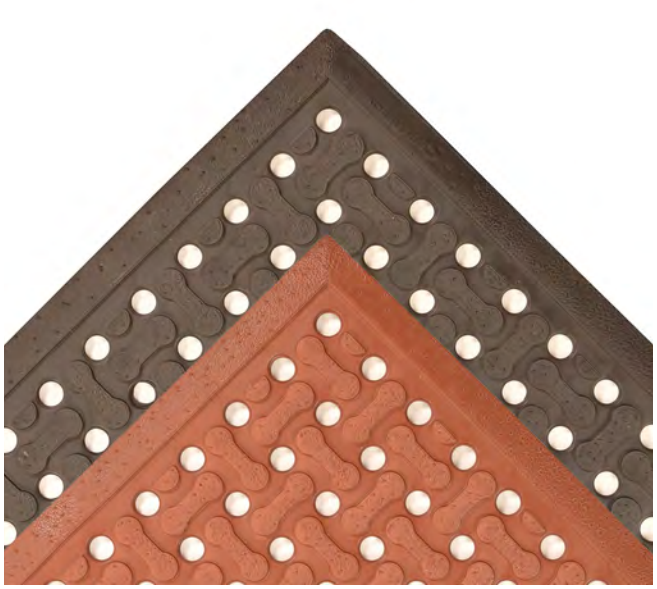

T18 - SUPERFLOW™ is a lightweight anti-fatigue workstation mat available in general purpose (black) and 100% nitrile grease resistant (red) rubber compounds for varying degrees of grease and oil protection. Its' lightweight design makes it a perfect choice for applications where the mat is routinely moved for cleaning. Superflow™ is reversible further extending the life of the mat. A drainage system facilitates the removal of liquids and debris from the work area and the molded-in beveled edges reduce trip hazards and allow for easy access onto and off of the mat. Superflow™ has an aggressive textured top surface that provides additional traction in wet or greasy areas.
