T29 - RIDGE SCRAPER™

PRODUCT INFORMATION BROCHURE

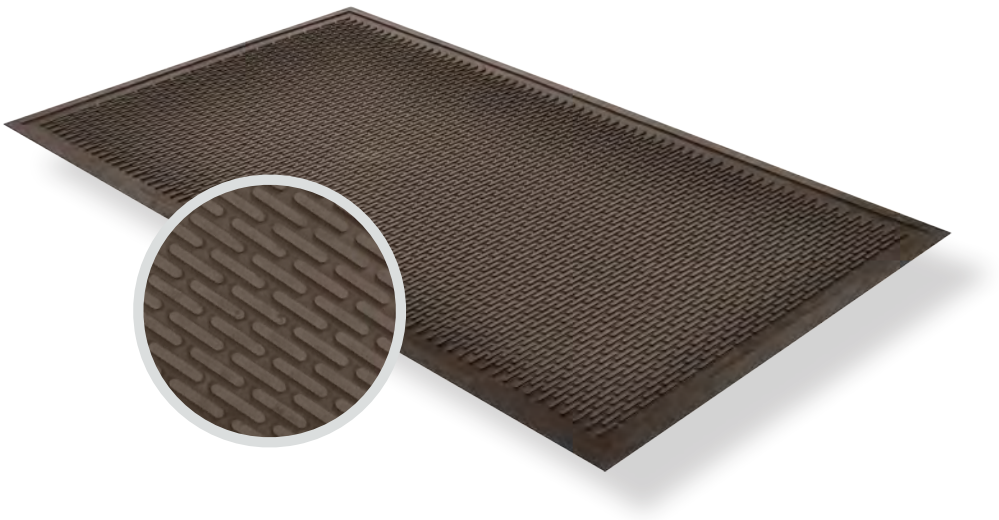

Justrite Safety Group

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

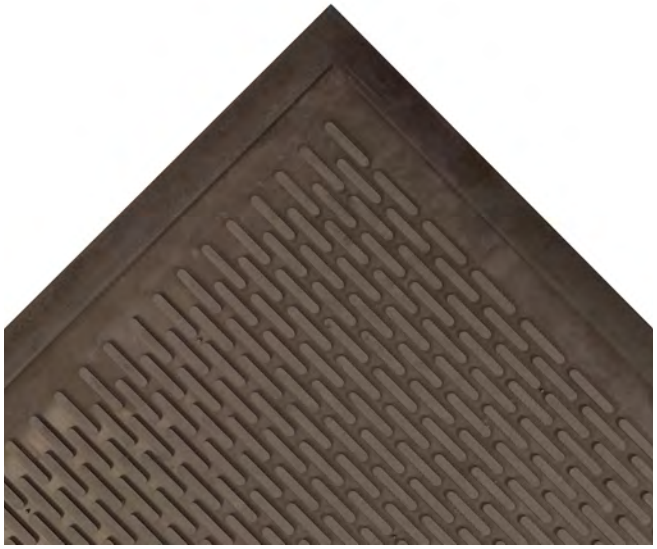

T29 - FINGER SCRAPER™ is a durable outdoor entrance mat intended to guard against soil with its high-low scraping design. Its low profile allows for easy door clearance as well as regular cart traffic, while a specially formulated rubber allows Ridge Scraper® to withstand harsh weather environments and heavy foot traffic. Ridge Scraper® excels in both indoor and outdoor high traffic entryways, and can be hosed off for easy cleaning.

Material: Rubber

Features and Benefits:

- Durable rubber matting designed with a low profile for door clearance / cart traffic
- Raised bar design scrapes debris from shoes
- Easy to clean – simply hose off
- Wheelchair and cart friendly
- Beveled on all 4-sides creates a retention dam to trap moisture and debris
- Recommended and approved product as a part of the GreenTRAX™ program for "Green Cleaning" environments.

⚠ **WARNING:** This product can expose you to di-2-ethylhexyl phthalate which is known to the State of California to cause cancer, birth defects or reproductive harm. For more information, visit www.P65Warnings.ca.gov

MODEL: T29

APPLICATIONS

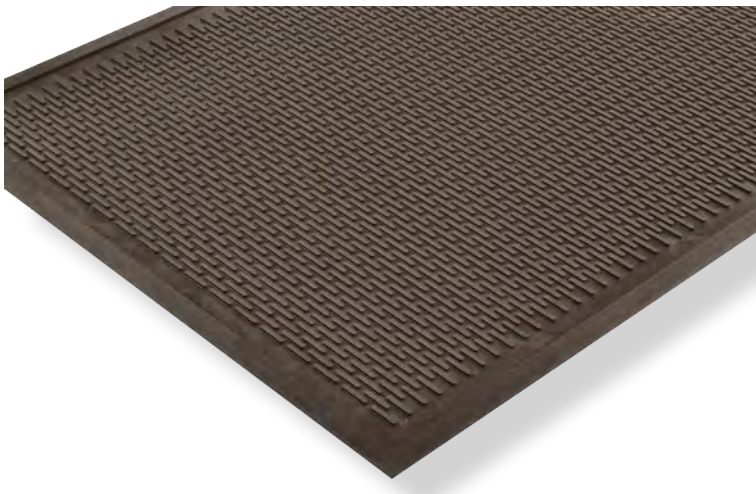

- Outdoor and indoor high traffic areas.
