T32 - ULTRAMAT®

PRODUCT INFORMATION BROCHURE

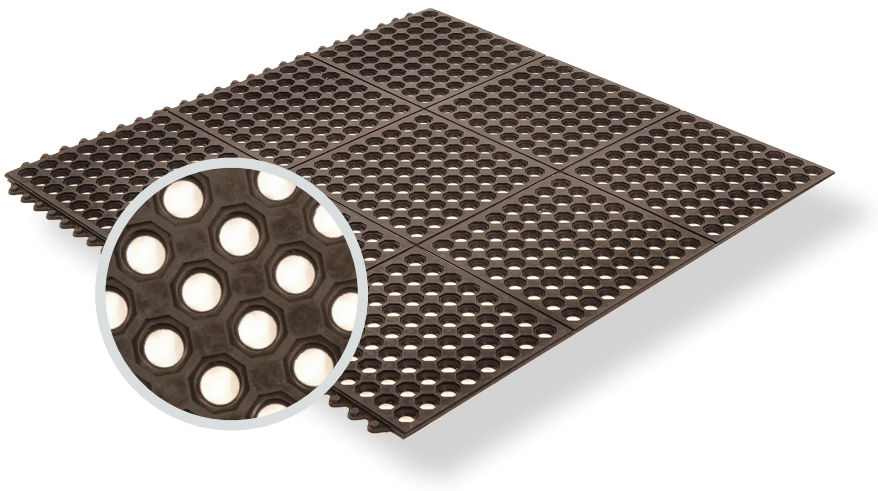

Justrite Safety Group

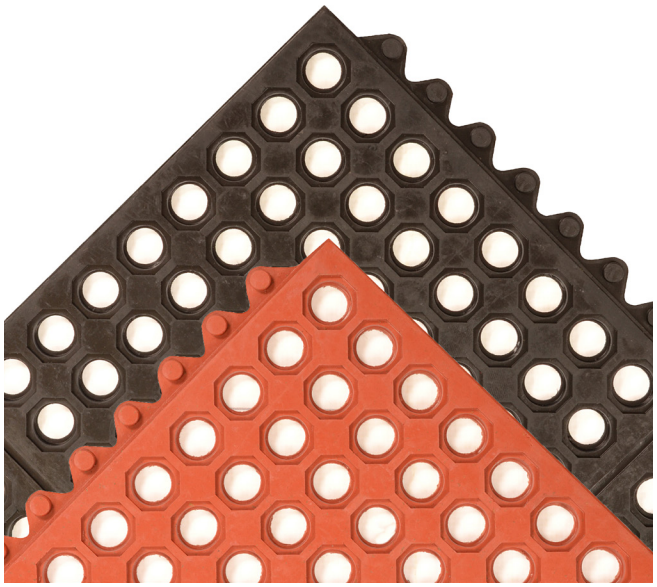

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

T32 - ULTRAMAT® is a lightweight modular anti-fatigue mat system with molded-in mat connectors for easy on-site custom configurations and longer lengths. An anti-slip surface increases traction in wet or greasy areas and multi-nib backing enhances the ergonomic support of the mat. It's large hole design provides excellent drainage removing liquids and debris from the worker platform and its' lightweight construction makes it easy to handle. Ultramat® has an available beveled ramp system to reduce trip hazards, allowing for easy access onto and off of the mat.

MODEL: T32

Material: General Purpose Rubber (Black) and Nitrile Rubber (Red)

Features and Benefits:

- Raised edging around each hole creates a slip-resistant surface
- Large drainage holes remove liquid and debris from worker platform
- Modular mat for quick and easy configurations
- Lightweight design for easy handling and cleaning
- Molded-in mat connectors
- Optional rubber ramps available for trip-resistant platform (581 Ramp)
- General Purpose Rubber (Black)
  100% Nitrile Grease Resistant (Red)
- Red mat (2 year warranty), Black mat (1 year warranty)

2 YEAR WARRANTY

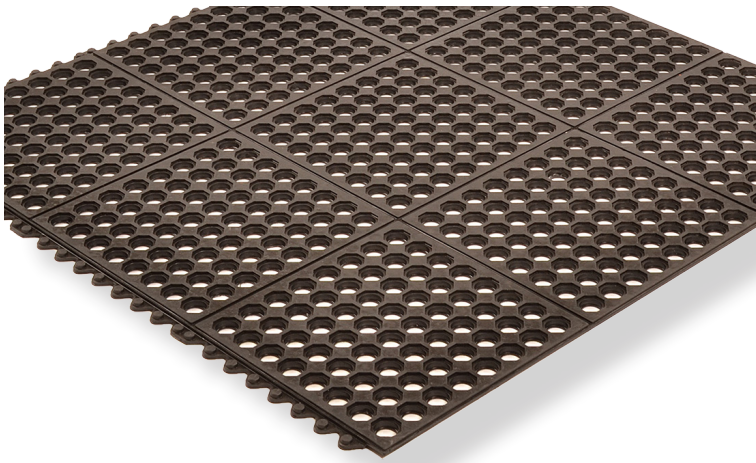

APPLICATIONS

- Professional Kitchens
- Cook Lines
- Food Preparation Areas.

SPECIFICATIONS

Stock Sizes	3'x3', 3'x5'
