T35 - WATER MASTER™

PRODUCT INFORMATION BROCHURE

NOTRAX®
Justrite Safety Group

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

T35 - WATER MASTER™ entrance mats are intended for use in medium to heavy traffic areas. The raised, crushproof waffle design aggressively scrapes and cleans, while the rubber-edged perimeter entraps dirt and moisture for superior water and soil control. Molded rubber "cleats" on the underside of the mat grip the underlying surface minimizing mat movement. Water Master™ uses a stain and fade resistant fiber to keep colors sharp and the mat looking new, and is highly recommended for "Green Cleaning" applications.

Material: Polypropylene Carpet W/Rubber Backing

Features and Benefits:

- High/low pattern facilitates scraping and keeps moisture and debris away from foot traffic
- Raised rubber border on all 4 sides traps moisture and debris for easy removal
- Molded rubber cleats on the bottom of the mat grip underlying surfaces and minimize mat movement
- 26 ounces of tufted yarn per square yard for increased moisture retention, and easier cleaning
- Low profile to perform in narrow clearance doorways
- Recommended and approved product as a part of the GreenTRAX™ program for "Green Cleaning" environments

⚠ **WARNING:** This product can expose you to 2-mercaptobenzothiazole which is known to the State of California to cause cancer. For more information, visit www.P65Warnings.ca.gov

MODEL: T35

APPLICATIONS

- Entranceways
- Lobbies
- Indoor Light to Medium Traffic Areas

SPECIFICATIONS

Stock Sizes	3'x5', 4'x6'
Thickness	3/8"
Colors	Brown, Charcoal, Slate Blue, Red/Black
