Justrite Safety Group

T58 - SUPERFOAM™ PLUS PERFORATED

PRODUCT INFORMATION BROCHURE

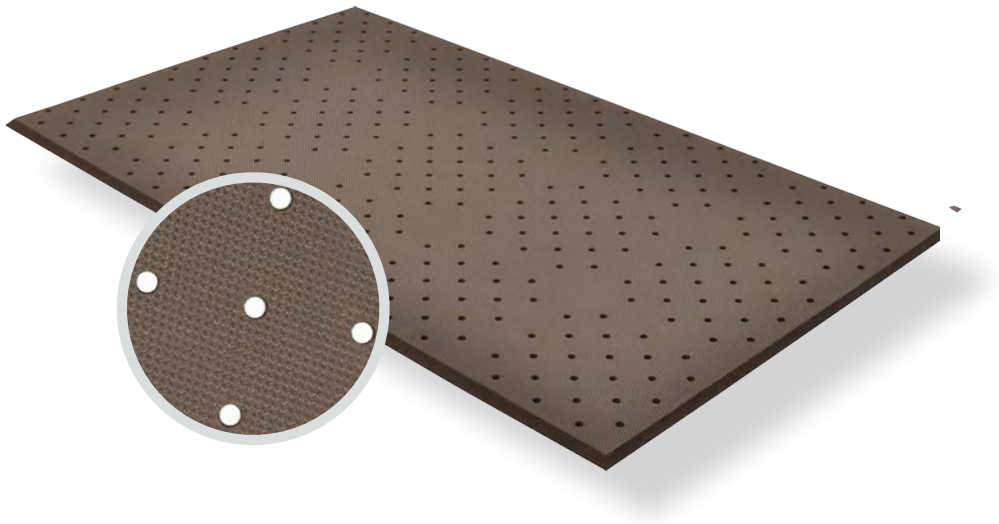

Justrite Safety Group

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

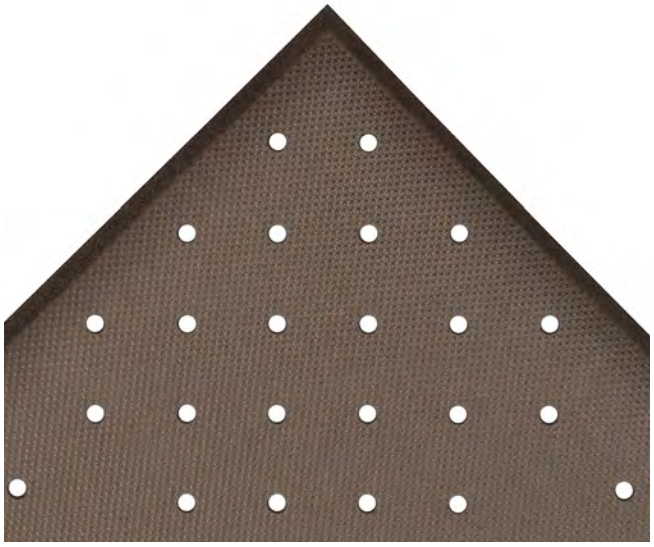

T58 - SUPERFOAM™ PLUS PERFORATED is a durable rubberized drainage sponge mat designed for extreme ergonomic comfort. Made from a completely closed cell foam blend, Superfoam™ Plus Perforated does not absorb liquids and is highly resistant to grease, oils and animal and vegetable fats. At 3/4" thick this anti-fatigue mat is ideal for workers standing for long periods of time.

Material: Nitrile/PVC Foam Blend

Features and Benefits:

- Durable rubberized sponge mat designed for extreme ergonomic comfort
- Highly resistant to grease, oils and animal & vegetable fats
- Closed cell foam blend does not absorb liquids
- Durable and abrasion resistant
- Perforated drainage holes to remove liquid and debris for worker platform
- PVC/Nitrile closed cell foam blend
- Non-allergenic, silicone-free compound
- Beveled edges on all 4 sides

MODEL: T58

APPLICATIONS

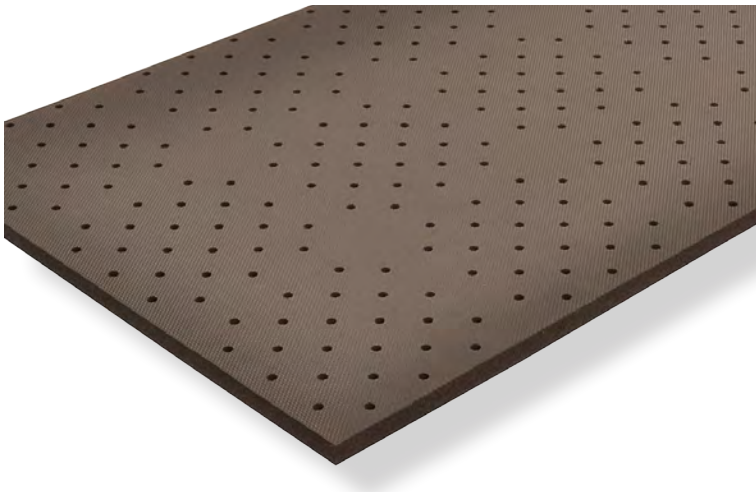

- Dish washing Stations
