

HELIX® 2077

HexArmor®

Innovation intertwined with safety. That's the DNA of the Helix® Series. The Helix® 2077 features a 13-gauge acrylic/fiberglass blend shell offering ANSI/ISEA Level A6 cut resistance.

The fleece lining keeps wearers' hands warm and insulated from the cold while the sandy nitrile palm coating provides superior grip and abrasion resistance in dry, oil, or wet situations. The black palm coating hides dirt and soil but can be laundered for extended life.
