Allied
HEALTHCARE PRODUCTS INC.
GLOBAL SUPPORT OF LIFE

For more than half a century, Allied Healthcare Products has been supplying quality adapters, couplers and fittings to our customers. Our history dates back to the medical department of National Cylinder Gas (NCG), which produced gases in cylinders for hospitals in the 1930s and early 1940s. In 1953, NCG installed its first piped medical gas system in a hospital. Over the years the NCG Medical Division evolved into the Chemetron Medical Corporation, and finally became Allied Healthcare Products, Inc. in 1980. In 1986, Allied acquired Oxequip Healthcare Industries, a major manufacturer of construction and patient care products since 1936.

Through such acquisitions and transformations we have sought to strengthen our leadership position in medical gas, respiratory therapy, and emergency medical products throughout the world.

In an age when the world has become a global village, we at Allied Healthcare Products continually renew our commitment to the "Global Support of Life."

Table of Contents

CHEMETRON®

Chemetron Style Quick-Connect Adapters	1
Chemetron Style Quick-Connect Couplers	2
Chemetron Style Quick-Connect Duplex Couplers	2

FERRULE

Many of the adapters, couplers and fittings are used in making hose assemblies.

Although the preparation of hose assemblies by the user is discouraged, information on ferrules is included for convenience.

For all 1/4" hose assemblies (kit of 10) 15-90-0050

For all 5/16" hose assemblies (kit of 10) 15-90-0049

TAMPER-PROOF LOCK-OUT ADAPTERS FOR CHEMETRON QUICK-CONNECT OUTLETS

Conductive Medical Grade Hose *(UL Listed)*

Chemetron® Bulk Hose is made from carbon impregnated neoprene to provide a conductive path from end fitting to end fitting when hose assembly does not exceed 30 feet in length. Chemetron® Conductive Hose meets all requirements as specified in NFPA 99. This hose is color coded to conform to CGA C-9 standards.

HOSE

	<u>500 Foot Roll</u>	<u>By The Foot</u>
1/4" Green for Oxygen Service	15-09-0501	15-09-0001

1/4" Black for All Other Services	15-09-0510	15-09-0010

HOSE RETRACTOR

Designed to be installed on ceiling-mounted medical gas outlets but can also be attached to the hose itself. Hose assemblies are kept overhead by the retractor and can extend up to 20" when pulled down. Maximum weight supportable in the retracted position is 15 ounces.

Hose Retractor 15-61-6006
