

When the heat is on, time is critical. Recharge your body FAST with unique **Sqwincer** electrolyte replacement products. **Sqwincer** is great tasting, hard working and it hydrates the body quickly -- 98% faster than pure water and recharges it with the proper balance of electrolytes that are lost due to perspiration and physical exertion.

Great tasting **Sqwincer** goes to work immediately upon consumption and doesn't weigh the body down. With 50% more potassium and 50% less sodium than most competitive sports drinks, **Sqwincer** is the right choice for people who must perform under the most intense heat situations. **Sqwincer's** unique composition was formulated specifically to battle the extremes of heat stress and fatigue.

Talk to your **Clark-McKibben Safety Products** sales representative today about adding **Sqwincer** products to your lineup of standard safety equipment.
