

Impact® Eclipse™ Urinal Screens, 12/bx - 3 bxs/cs - Tropical Mango

The Impact® Eclipse™ Urinal Screen is a premium odor control solution for restroom cleanliness that meets the needs of busy facilities where hygiene, freshness, and user comfort are top priorities. These screens feature a patent-pending design that virtually eliminates splash back, reducing mess on floors, partitions, and fixtures. Anti-splash performance not only enhances the overall appearance of restrooms but also saves custodial teams time and effort by lowering the frequency and intensity of cleaning required. The fragrance provides a long-lasting scent, making the restroom experience more pleasant for guests, employees, and visitors. Each screen is designed to stay in place securely, avoiding floating or shifting. Combining a stronger fragrance, innovative splash control, and universal usability, Eclipse™ Urinal Screens offer a smarter, more effective approach to restroom maintenance.

Key Features

- Provides consistent, high-frequency fragrance release designed to deliver superior odor control
- A unique, patent-pending design virtually eliminates splashback, helping reduce mess on restroom floors, partitions, and fixtures
- Engineered to fit virtually all shapes and sizes of urinals, this flexible, easy-to-install screen offers reliable placement and consistent performance across many facilities
- Provides a stronger and longer-lasting fragrance release than standard urinal screens, ensuring reliable odor control and freshness
- Designed with patent-pending technology that combines odor control with splash reduction, Eclipse™ offers facility managers a modern, practical, and effective solution for maintaining cleaner, fresher, and more inviting restrooms
