

LIMITED 2-YEAR WARRANTY

Weyerhaeuser Framer Series® Lumber

Limited Warranty

When properly installed in a non-exposed application, Weyerhaeuser Framer Series® lumber (Framer Series lumber) is warranted by Weyerhaeuser NR Company (Weyerhaeuser) against warp for a period of 2 years from the date of the original purchase by the end user.

This limited warranty is subject to the terms and exclusions set forth below.

Definition of Covered Conditions

"Warp" is defined as a bow, twist or crook beyond the #1 grade limit (as defined by the American Lumber Standards) that would cause a deflection of flat surfaces, where:

"Bow" is defined as warp along the length of the face of a board.

"Twist" is defined as when the faces of the board are not in the same plane along its length.

"Crook" is defined as warp along the length of the edge of a board.

Remedy

For any Framer Series lumber that Weyerhaeuser determines at its sole discretion does not conform to the warp warranty, Weyerhaeuser will, at its sole discretion, pay for the repair or replacement of the warped lumber and impacted framing members. This consists of, as applicable, the sheathing, flooring or drywall, and surface covering at wholesale cost, and the reasonable cost of labor.

Filing a Claim

Weyerhaeuser must be notified in writing of any claim under this warranty within 30 days of the discovery of the warranted warp at the following address:
