# Decorative Hardware Checklist

**Modern Hardware is West Michigan's largest supplier of decorative and builders hardware. Here's what our process looks like:**

1

- ☐ Call us or schedule your hardware consultation online.

2

- ☐ Come visit us! Bring along your designer or builder, if you'd like.

3

- ☐ Also bring along inspiration photos, cabinet elevations (provided by your builder), your budget, and any questions you may have about decorative hardware.

4

- ☐ Be prepared to select most, if not all, of your hardware during your appointment. Bath, door, kitchen, etc. This consultation may take awhile. Up to two hours. Hydrate as needed, but be encouraged—we're fun!

5

- ☐ Once your hardware quote is approved, you'll receive selection sheets as record of your order.

6

- ☐ Once order is processed, your builder will take it from here! You're through with us until your next home improvement project comes down the line...
