

# Smart. Effective. Solutions. For On-site Construction Customers.

With more than 60 years of experience serving customers in the construction industry, FSI has the knowledge and contact to recommend and deliver the best mix of fastening product to the jobsite. With access to well-known, well-respected brands, the FSI team can provide the products your next job demands.

The popular EZ Fit brand – with its offering of fasteners, hose, compressors and accessories – is a great complement to the national brands we offer. This affords customers options when selecting products for their demanding applications.

## Local Support. Product, service when you need it.

With sales and service personnel – as well as branch locations strategically located throughout our 11-state “footprint,” you can depend on FSI to provide expert advice and a reliable supply of the products you need. We also recognize the value of service after the sale. Here’s what you can expect from our local professionals:

- Jobsite delivery
- On-site tool repair
- Service and support when and if you have a job in another city/state
- Safety training
