

Smart. Effective. Solutions. For Carton Closing & Packaging Customers.

With nearly 60 years of experience, servicing customers involved in a wide variety of industries, Fastening Solutions has the expertise to evaluate each customer's carton closing and packaging needs and recommend the products that best meet their individual requirements. In addition, with access to well-known and reliable brands, the FSI team can select products that most effectively solve demanding quality and production issues that our customers face.

FSI has been solving problems – and providing solutions – for customers who require the advantages offered by carton closing fastening:

- Increased Package Security
- Stronger Seal, Superior Strength
- Heat/Humidity Resistance
- No Interference with Carton Graphics
- Environmentally Friendly – 100% Recyclable

Our customers, faced with a variety of shipping and distribution jobs, rely on FSI for a complete range of products to assist with their carton closing and packaging needs. “Bottomers” (automated and manual) as well as “Toppers” (manual, pneumatic, stick and roll) and a full range of plier and clinching staplers.

Local support. Product when you need it.

With sales personnel and branches strategically located throughout its 11-state “footprint,” you can depend on FSI to provide expert, local service and repair – and a reliable supply of the product you need. We won't shut you down. We know our customers cannot afford to run out of product and we ensure that they don't. Plus, tool repair and replacement parts are another key to high-volume industrial operations. You can count on FSI for both of these.

FSI sales personnel or branch operations are located strategically in the following states:

Alabama	Georgia	Mississippi	Tennessee
Arkansas	Kentucky	Missouri	Texas
Florida	Louisiana	Oklahoma
