

3D CITY BUILDER

Design. Build. Imagine. Inspire!

WORK TOGETHER BUILD TOGETHER!

Plan and build a city we can be proud of!

Students design a city with buildings, roads, landmarks, green spaces, and public services.

Grade Level
Grades 4–6

Time Needed
60–90 minutes

Skills Developed
- Planning
- STEM thinking
- Teamwork
- Design

Inclusive Adaptations
- Use pre-cut building shapes.
- Offer role choices: builder, planner, decorator.
- Add tactile streets and landmarks.

Simple Steps!

1. Plan your city.

2. Build the buildings and landmarks.

3. Create roads, paths, and green spaces.

4. Add services and details.

5. Present your city and share your plan!

We plan. We build. We create a better tomorrow!
