How to Create Your All About Me Poster

1. Plan your layout. Decide what you want to include.

2. Write, draw, or use pictures to share about yourself.

3. Add colors, cutouts, and decorations to make it yours.

4. Add textures like fabric, yarn, or felt.

5. Check your poster. Did you include what's important to you?

6. Share your poster with your class and learn about others!

Inclusive Adaptations

- Offer templates with sections.
- Allow pictures or symbols instead of writing.
- Add tactile sections with fabric, yarn, or raised items.

Teacher Tips

- Create a positive space for sharing.
- Celebrate each student's unique strengths.
- Display posters in the classroom to build community.
- Use this as an icebreaker at the beginning of the year or new units.
