Blind & Low Vision Art Activities

Raised-Line Drawings

Create art you can see and feel!

Grades K–6

30 minutes

Tactile Lines

Students create artwork with raised glue lines, craft sticks, yarn, or foam borders.

Art is for everyone.
Art you can touch is art you can enjoy!

Adaptations

Use bold outlines.

Use thick glue lines, yarn, or craft sticks.

Provide tactile borders.

Add foam or textured borders around the artwork.

Describe colors and shapse verbally.

Help students build understanding through clear verbal descriptions.

Celebrate creativity. Support independence. Inspire confidence.
