Color Recognition Collages

Sort. Match. Glue. Create!

Students sort shapes and materials by color, then glue them into a classroom collage.

Grade Level
Kindergarten

Time Needed
20–35 minutes

Skills Developed
- Color matching
- Sorting
- Decision making

Inclusive Adaptations
- Use fewer color choices.
- Use large shapes.
- Add tactile textures for low-vision learners.

Simple Steps!

1. Choose a color. Look around!

2. Sort materials by color.

3. Glue the pieces onto your poster.

4. Keep adding colors and shapes!

5. Look at your beautiful collage!

Colors make our world bright!
Sort. Match. Glue. Create with confidence!
