Big Ideas!
Your name is special! Decorate it to show who you are!

How to Create Your Name Tag

Write or print your name in large letters.

Choose a border color or design for your tag.

Add decorations like stickers, shapes, or drawings.

Use markers or crayons to add color and small details.

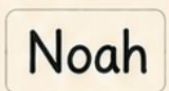

Check your tag! Make sure your name is clear.

Use your name tag proudly on your desk or cubby!

Inclusive Adaptations

Use large print names.

Add raised tactile initials.

Offer simple decoration choices.

Teacher Tips

- Celebrate each student's name and creativity.
- Refer to name tags often to support name learning.
- Display decorated tags to build classroom community.
- Encourage students to take care of their space and their tag.
