# Owl Craft Friends

**Create. Imagine. Share your story!**

Students build owl characters using layered paper shapes, feathers, craft eyes, and markers.

## Grade Level
K–4

## Time Needed
30–45 minutes

## Skills Developed
- Shape recognition
- Layering
- Creative storytelling

## Inclusive Adaptations
- Use large pre-cut owl bodies.
- Offer texture choices.
- Allow students to select parts from organized trays.

## Simple Steps!

1. Choose an owl body.

2. Add belly, wings, and beak.

3. Add feathers, eyes, and details.

4. Decorate with markers and textures.

5. Share your owl and tell a story!

**Friends come in all shapes, colors, and feathers!**
