RAISED SNOWFLAKE ART

Create beautiful textures. Explore patterns.

Create tactile snowflakes with raised lines, foam shapes, glue, and textured paper.

Grade Level
K–6

Time Needed
30–45 minutes

Skills Developed
- Pattern building
- Symmetry
- Tactile exploration

Inclusive Adaptations
- Use raised outlines.
- Offer pre-cut snowflake arms.
- Use low-mess materials.

Simple Steps!

1. Choose a background color.

2. Add raised glue lines for your snowflake.

3. Add foam shapes or snowflake arms.

4. Add gems or texture for extra sparkle.

5. Let it dry and display your snowflake art!

Every snowflake is unique. Every artist is amazing!
